Public Comment: FCC Proceeding 1

PARENTS TELEVISION COUNCIL

I oppose any changes to the current FCC indecency standards. The FCC must contin vigorously oppose ALL indecent content, even if brief or "fleeting."

The Supreme Court has affirmed the FCC's authority to enforce policies prohib indecent broadcast content during hours when children are likely to be in the viewi listening audience. Relaxing the current policy would not serve the public interest.

I urge the FCC to reject all proposals that would allow for the broadcast of expletive nudity on FCC-licensed stations.
