Wichita Area Coverage Map

Coverage shown on the coverage maps is a general prediction of outdoor coverage, and does not guarantee that cover be available at all covered geographic areas at all times. Wireless coverage is impacted by, among other things, terrai weather, antenna location, system modification, foliage and man-made structures (such as buildings), and therefore c predicted precisely at all times.

Digital cellular coverage and Direct Connect coverage (approximate)

Digital cellular coverage and Nationwide Direct Connect coverage (approximate)

• Anytime, Mobile to Mobile and Night & Weekend Minutes apply.

Future Coverage Area

No Service Area

Cingular Wireless GSM handset required on Cingular Region plans.

Your phone's display does not indicate the rate you will be charged. Please review your coverage map for areas included in and out of y
an approximation of outdoor coverage. Map may include areas served by unaffiliated carriers and may depict their licensed area rather than
of the coverage there. Actual coverage area may differ substantially from map graphics, and coverage may be affected by such things a
foliage, buildings and other construction, signal strength, customer equipment and other factors. Cingular does not guarantee coverage
based on the location of the site receiving and transmitting the call, not the location of the subscriber. Future Coverage, if depicted at
current planning assumptions but is subject to change and may not be relied upon.
