To Whom It May Concern:
My name is Betty Hicks.
I am writing to you to plead for my Grandson's life.
Joseph Ward #738325
My grandson is in a prison by the name of Oaks Correctional facility and is being discriminated against by the officers and people of higher authority.
He has [redacted] been locked down Continuously, and threatened as to where he is afraid to eat, unless he has purchased the food himself.
He has lost 40 or 50 lbs.
I am afraid of him starving to death, or even worse, freezing to death.
Joseph is in need of his medication because he is getting worse.
He is afraid.
Joseph was only 16 years old when he got locked up but was given the sentence of a murder.
I had come to Court to testify that his Cousin was the leader of the Crime and Owned the guns.
But his attorney Charles Clapp never

called me to testify.
The prison system never gave him
a chance;
He was sentenced with prejudice.
He is going through holy terrions.
He has been stabbed 3 times and has
not ever been giving his medication
He's [redacted] afraid to take medicine
to go to sleep because his brother was
beat, robbed and raped.
Joseph is being put out in the cold every-
day and has no privilages.
I'm undergoing help with my drink
because all of this is taking hold on me.
too, To just know that he is being
mentally abused, because his attorney
wouldn't let me testify for him.
I wouldn't do a dog the way they
is doing him, Only because he is black.
Just knowing this stuff is at the verge
of giving me a nervous break down;
Writing until I reach the right person
to help me help my grandson before
I lose him.

Sincerely
Betty Hicks

They've taken all of his privileges from him and making him go out in the Cold every day.
Joseph was only 16 when he got in trouble, And he was given a sentence that one would give a murder.
Even than I was ~~witting~~ Willing to Testify that his cousin was the one that had started the stuff, and owned the guns. Therefore I am pleading the Blood of Jesus, that you please help him.

Thank you
Betty Hicks
