Reference: 63.71 Application of SNET America Inc
d/b/a AT&T Long Distance East

We are senior citizens in our 80's and have had AT&T calling card service for about 10 years. This service has been a plus when one considers the savings to our income using the calling card for long distance calling. Please consider reversing this decision. Question; how will reimbursement for unused minutes be addressed.

Thank you for your attention to our concerns,
