Re: Notice of Ex Parte Communication: In the matter of Expanding Flexible Use in Mid-Band Spectrum Between 3.7 and 24 GHz, GN Docket No. 17-183

Dear Ms. Dortsch,

On October 3, 2017 Jayne Stancavage of Intel Corporation met by phone with Erin McGrath, Legal Advisor to Commissioner O’Rielly, to discuss NOI comments filed October 2nd in the above-referenced docket. During the discussion, Ms. Stancavage briefly summarized Intel’s joint comment filed with Intelsat, Intel’s individual comment, and separate comments by the Mid-Band Spectrum Coalition and an ad-hoc group of unlicensed interests, where Intel was a signatory. All discussions were consistent with the contents of the aforementioned filed comments.

Pursuant to Section 1.206 of the Commission’s Rules, this letter is being filed electronically via the Electronic Comment Filing System in the above-referenced docket.

Respectfully submitted,

/s/ Jayne Stancavage
