Dear Sir or Madam,

I am writing to ask you not let Comcast and Time Warner join together. As a senior with no recourse let Comcast in my apartment house I have seen my bill go up and up while my choice keeps going down.

Every evening Channels 7 (17) 11 out of Philadelphia and all the Phila stations are blanked out with a roller playing music and local interest happenings (all are alike). They claim the FCC demands it but sometimes there are duplicate programs on at the same time and sometimes there are programs no one else has on w

allowed to watch "Monk" for example on Channel 17 on Friday nites which I like.

Years ago I could watch "Donahue" on Channel 27 and Channel 6 (Phila) They both showed "Donahue" but different programs. You could catch up if you missed one - but they quit that - FCC rule. Channel 6 is not allowed because 27 is on with news (same) but Channel 3 and Channel 5 (CBS) news is on at the same time in the morning. ?? But at nite we have all those empty channels with just a roller on. I feel our bills will keep going up and I also feel limited as to what I can watch - and I

realize I will probably never get to pay only for what I like to watch, but I do feel things could be better, much better!

Sincerely
Ms Eve Hansell

One more thing: I really am not in favor of the media being owned by the media. Too much power.
