SUPPLEMENT TO PETITION FOR RECONSIDERATION

Fuller-Jeffrey Broadcasting Corporation of Greater Des Moines ("Fuller-Jeffrey"), the licensee of Class C2 FM broadcast station KJJY, operating on Channel 223C2 in Ankeny, Iowa, by its undersigned counsel and pursuant to 47 C.F.R. Section 1.429(d), hereby respectfully submits this Supplement to Fuller-Jeffrey's pending Petition for Reconsideration ("Petition") that was filed with the Commission on May 13, 1991.<sup>1/</sup>

The Petition requests the Chief of the Allocations Branch of the Policy and Rules Division of the Commission's Mass Media Bureau (the "Branch Chief") to reconsider action taken by letter to Fuller-Jeffrey's co-counsel dated April 10,

---

<sup>1/</sup> By separate pleading submitted concurrently herewith, Fuller-Jeffrey is requesting the Commission's leave to file this Supplement to the Petition, as required by 47 C.F.R. Section 1.429(d).

1991. By that action, the Branch Chief returned to Fuller-Jeffrey's co-counsel, as unacceptable for filing, Fuller-Jeffrey's Petition to Initiate Rule Making Proceeding that had been filed with the Commission on July 20, 1990.

The Petition to Initiate Rule Making Proceeding had sought to persuade the Branch Chief to initiate a public-notice-and-comment rule making proceeding for the purpose of amending the Table of Allotments for FM Broadcast Stations, 47 C.F.R. Section 73.202(b), in order to remove the allotment of Class C2 Channel 223C2 from Ankeny to West Des Moines, Iowa, and to modify Fuller-Jeffrey's license to operate KJJY accordingly.

One reason given for the Branch Chief's action of April 10, 1991 was the perception that removal of Channel 223C2, as proposed by Fuller-Jeffrey, would deprive the community of Ankeny of its only currently-operative local aural transmission service.

Submitted herewith is the Declaration of J. Michael McKoy, a Vice President of Fuller-Jeffrey, executed on July 24, 1991.<sup>2/</sup> In his Declaration, Mr. McKoy states that on July 1,

The original of the Declaration will be filed with the Branch Chief promptly upon its receipt from Mr. McKoy by Fuller-Jeffrey's undersigned counsel.

1991 a new Class A FM broadcast station having the call letters KMXD commenced regular broadcast operations on the frequency 106.3 MHz in Ankeny.

Accordingly, removal of Channel 223C2 from Ankeny to West Des Moines, as advocated by Fuller-Jeffrey, will no longer deprive Ankeny of its only currently-operative local aural transmission service.

Respectfully submitted,
