Dear FCC board members,

We are elderly viewers of RFD-TV, and we love it. There is so little family friendly TV these days you can just relax and enjoy.

We receive RFD from Directv, and we purchased a larger package in order to have one that included RFD. We would also like to have Rural TV. We enjoy the older western music programs, and also the western sports and especially rodeo.

We were alarmed to hear that we might lose the ~~chand~~ channel because of a merger.

We ask that you carefully consider the value of a channel that truly enriches many lives both in the city and rural areas. Thank you for reading my letter.

Respectfully,
June McKay
