Dear Sir,

We, hope that the program RFD will be on. This is a teaching station. I learn so much from it. The bands, Rodeos & the Country W. Singers I haven't seen in a while. Also the Gaithers. They teach how to grow vegetables

& Watermelons, this is lost.
Since, a lot of people
doesn't grow thier vegetables
like they did when I grew
up. I grew up when
all you ate came from
the garden, now days everything
comes from grocery store.
Hope, you will do the right
thing. Of course I watch
4 & 5 - 8 for weather & other

Channels.

Thanks, to Patrick Gottsch he speaks on this, keep the good Workup. We are listening. Been a farm gal all of my life.
