Mr. & Mrs. Alvin F. Vance
1448 Parkwood Dr. SE
Cedar Rapids, IA 52403

To whom it may concern:

We come from a rich Western Nebr. back ground but moved to an urban setting, Cedar Rapids, Iowa.

please keep RFDTV on the air.

It provides so much pleasure since we aren't able to get out very often.

Yesterday when I turned in they had a program on about a ranch 120 mi. from where we moved.

Our Downs Syndrome daughter appreciates what she watches also

It is so valuable.

The music too is so apealing to all of us plus the Ag news

I grew up on a farm as so many people have. This station apeals to more people than one realizes. My husband & I also farmed near Scottsbluff, Nebr.

Sincerely

Nora Mae Vance
