RE: **ERRATUM TO EX PARTE** in Amending the Definition of Interconnected VoIP Service in Section 9.3 of the Commission's Rules, GN Docket No. 11-117; Wireless E911 Location Accuracy Requirements, PS Docket No. 07-114; E911 Requirements for IP-Enabled Service Providers, WC Docket No. 05-196

Dear Ms. Dortch:

On September 12, 2014, Cisco and TeleCommunication Systems (TCS) filed the attached ex parte in the above captioned dockets consisting of a cover letter and a powerpoint file. In attempting to attach the powerpoint presentation to ECFS, the cover letter was inadvertently attached a second time. This erratum corrects that error and updates the record.

Respectfully submitted,

CISCO SYSTEMS, INC.
