To whom This might Concern

I am writing in Regards to the T.V. mergers and There inpact on independent T.V. particularly R.F.D. Was Born in and Raised in East Baltimore and Enjoy R F D T.V. seeing ~~what~~ wear and How our food comes about and don't have to worry about whats going to be said (No profanity) or special Effects of hidious murders or car crashes and also No nudeity or sex.

If you would do the Right thing you would Rule That people could pick what channels they wish to see and pay only for them My TV. plan has About 150 channels and we don't whatch about 135 to 140 of those channels and want to cut out the channel we do whatch.

if any company drops R.F.D I will drop Them and have told them so
