Sprint PCS Vision℠ Smart Device

PPC-6700

Form, Function, Speed

Windows Mobile 5.0™, bluetooth™, Wi-Fi and broadband fast speed capability

View Demo | View 360° | View Gallery

Overview | Sprint PCS Vision | More Features

Built-in Wi-Fi Capability
High-speed data connection between the device and nearby Wi-Fi access points for the ultimate in mobile connectivity. For a list of Sprint-compatible domestic and international Wi-Fi ZONES℠, visit www.sprint.com/wifi and click on Wi-Fi ZONE Locator. Customers can also connect in other public, enterprise and residential Wi-Fi venues.

Large Full-Color Screen
Vivid 2.88" 64K color TFT Touch-Screen for easy reading and a rich, full-color experience.

External miniSD Card Slot
Add memory and selected peripherals or load additional games, applications, and video clips.

Supports SMS Text Messaging
Instantly send and receive SMS Text Messages across the room or across the country. It's the coolest way to talk, without the talk.

Built-in Speakerphone
Hands-free operation of your phone is made easy with the built-in speakerphone, allowing you to take a conference call virtually anywhere!

Phone as Modem Capable
Use the included USB cable and your Sprint Power Vision™ to connect to a PC, allowing Internet and email access.
