**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am deeply concerned about the potential monopolistic power of large telecom companies. At this point, home broadband internet service is an absolutely critical tool for my small business to succeed, and I am very supportive of having small ISP's be able to compete with the large telecom giants. Please do not approve the US Telecom Association.
