To: Chief, Allocations Branch

PETITION FOR RULEMAKING

Minnesota Christian Broadcasters, Inc. ("MCBI"), licensee of FM Broadcast Station KTIG, Pequot Lakes, Minnesota, hereby requests that the Commission institute a rulemaking proceeding for the purpose of amending Section 73.202(b) of the Commission's rules as follows:

<u>City</u>	<u>Present</u>	<u>Proposed</u>
Pequot Lakes, Minnesota	261A	261C3

Further, MCBI requests that the Commission issue an Order to Show Cause why the license of Station KTIG for operation on Channel 261A should not be modified to specify operation on Channel 261C3 pursuant to Section 1.420(g) of the Commission's Rules.

As shown in the attached engineering statement (Exhibit No. 1), the proposed change in the Table of Allocations may be made with the FM transmitter site specified at the indicated coordinates. MCBI has determined that land for a transmitter site is readily available in this vicinity.

2.

Adoption of this proposal will result in greatly improved coverage to Pequot Lakes and the surrounding areas by Pequot Lakes' only authorized FM broadcast station.

MCBI hereby confirms that upon adoption of the proposed change it will expeditiously apply for modification of its license for KTIG and upon grant promptly construct the new Class C3 facilities.

WHEREFORE, It is requested that the Commission institute a rulemaking proceeding for the purpose of amending the Table of Allotments as described above to permit operation of Station KTIG, Pequot Lakes, Minnesota, on Channel 261C3.
