303.5 QUESTION 7

WYLR-FM is in compliance with all local, state and federal environmental regulations and with ANSI standards. While it is possible we or other contractors may have violated ANSI standards in the past, we have rewritten our policies and explained them verbally and in written form to all persons leasing space on our tower, and have, in fact, made ANSI compliance a contractual obligation to all lessors. In addition, our antenna and transmitter are fenced and locked at all times, and the road leading to the site is chained and locked to prohibit public access.

EXHIBIT 1

Upon double checking with the FCC we learned that our 1990 Annual Employment report had not been received. We are at a complete loss as to why. The report was generated in a timely basis, it was on file at our place of business, and in checking with the person in charge of its mailing, we were informed that it indeed was mailed out to the best of her knowledge. We have since filed this report by certified mail with the F.C.C. with a cover letter apologizing for our inadvertent lateness.

Christopher P. Lynch and or Normandy have not been the subject of any adverse finding or final action in any way under question 6. However, we are the subject of some allegations by competitors in a comparative hearing for a new license, M M Docket No. 90-181, Faye Brennan et al, currently being heard by the Hon. Edward J. Kuhlman, FCC Administrative Law Judge. There has been no disposition of this case to date.

8. We believe we have, and in good faith, have attempted, to place all appropriate documentation required by 47 C.F.R. sections 73.3526 or 73.3527 to be in our files at the appropriate times. Upon close examination, one of these reports was missing. The only logical explanation is that in preparing applications for the NAB's Crystal Awards recognizing superior public service accomplishments, (we have been one of 50 finalists nationwide for the past 3 years) we referred to this quarter and then misplaced it. Also, upon a close examination a few quarterly lists seemed to inadequately reflect our efforts. While these lists were timely filed, I drafted additions to them, and with cover letters clearly showing the dates they were completed made them part of our issues/programs lists. I have also annexed our above mentioned Crystal Award entries to our issues/program lists and I believe not only are we in compliance with 47 C.F.R. Sections 73.3526 or 73.3527, but that this file fairly reflects our services to our community of license.
