Photographs

Attachment 1

Explanatory Note

This attachment includes sets of photographs showing the following:

1) Construction of WCC's White Alice cell site;

2) WCC's downtown cell site;

3) WCC's retail store, including the laptop stations that provide free WiFi to customers;

4) AEE's office building in Anchorage, including the building's exterior, office artwork, employee work stations and break room.
