Re: Applications of AT&T Inc., Cellco Partnership d/b/a Verizon Wireless, Grain Spectrum, LLC, and Grain Spectrum II, LLC For Consent To Assign Licenses and Grant Long-Term *De Facto* Transfer Spectrum Leasing Arrangements (WT Docket No. 13-56)

Dear Ms. Trosch:

AT&T Inc., Cellco Partnership d/b/a Verizon Wireless, Grain Spectrum, LLC, and Grain Spectrum II, LLC have filed applications pursuant to section 310(d) of the Communications Act of 1934, as amended,[1] seeking Commission consent to assign certain licenses and grant long-term *de facto* transfer spectrum leasing arrangements.[2] For the Commission to complete its review of the applications and make the necessary public interest findings under section 310(d) of the Communications Act,[3] we require additional information and clarification of certain matters discussed in the applications and other information provided to the Commission. If necessary, we will follow up with additional requests for information.

Accordingly, pursuant to section 308(b) of the Act,[4] we request that you provide written responses and supporting documentation for each request set forth in the attachment and, where appropriate, amend the lead application to reflect such responses. Each response or document should clearly indicate the specific question or request to which it responds, and each page should be marked with a corporate identification and consecutive document control numbers as specified in the attached instructions. We would appreciate receiving your response to each inquiry no later than June 27, 2013.

Your responses should be filed with Marlene H. Dortch, Secretary, Federal Communications Commission, in WT Docket No. 13-56. In addition, the *Comment Public Notice* and the Protective Orders require the submission of multiple copies of all *ex parte* and other filings submitted in this
