Dear Secretary Dortch,

I oppose the F.C.C.'s proposed rule changes to the broadcast decency laws. I ask you to uphold and enforce the laws that are currently in effect. Please keep the public airwaves free of perversion and violence.

Sincerely,

Public Comment: FCC Proceeding 13-86

PARENTS TELEVISION COUNCIL®

Because our children are watching

I oppose any changes to the current FCC indecency standards. The FCC must continue to vigorously oppose ALL indecent content, even if brief or "fleeting."

The Supreme Court has affirmed the FCC's authority to enforce policies prohibiting indecent broadcast content during hours when children are likely to be in the viewing or listening audience. Relaxing the current policy would not serve the public interest.

I urge the FCC to reject all proposals that would allow for the broadcast of expletives and nudity on FCC-licensed stations.
