

Investment Proposal

WAN (Wide Area Network Solutions / Dark Fiber)

April 27, 2016

Mr. Stephen Mitchell, IT

Fort Scott USD 234

424 S Main

Fort Scott, KS 66701

620-223-0800 / smitchell@usd234.org

Solution Scope

Comprehensive provisioning of wide area network solutions; with network maintenance and network security. A Nex-Tech solution that provisions all required cabling/fiber and infrastructure and related maintenance for a high quality network, allowing USD 234 to continue their focus on education, and communicate with their business partners, staff and students at greater ease.

Locations

- | | |
|-------------------------------|-------------------------------|
| 1. Fort Scott Middle School | 2. Eugene Ware Elementary |
| 3. Fort Scott High School | 4. Winfield Scott Elementary |
| 5. Fort Scott District Office | 6. Fort Scott Learning Center |

Solution Components

- Dark Fiber/One Fiber Pair to all Locations
 - Expandable for Future Requirements
- Complete Infrastructure Implementation and Coordination of Installation (change over from 1 GIG to Dark)
- Client Provisioning the Hardware, Switches and Gbics for Dark Fiber operation (lighting it up)
- New Construction for Learning Center Included

Professional Services
