PETITION FOR WAIVER

Pursuant to Section 1.3 of the rules of the Federal Communications Commission (“FCC” or “Commission”),¹ Farmers Mutual Telephone Company of Stanton, Iowa, Inc. (“FMTC”, or “Petitioner”) hereby requests a waiver of the Sections 51.917(b)(1) and 51.917(b)(7) of the Commission rules to recalculate for merged study areas (Farmers Mutual Telephone Company of Stanton, Iowa Inc. SAC 351174 and Villisca Farmers Telephone Company SAC 351324 (“Villisca”)),² the 2011 Interstate Switched Access Revenue Requirement and 2011 Rate-of-Return Carrier Base Period Revenue necessary to determine Connect America Fund – Intercarrier Compensation (“CAF-ICC”) support.³ A waiver of Section 51.909(a) is not being

¹ 47 C.F.R. § 1.3

² FMTC was organized in 1901 as the Telephone Central Association and changed its name to Farmers Mutual Telephone Company in 1911. Villisca was formed in 1901 and was organized as a cooperative in 1925. On September 20, 2010 Villisca and FMTC collectively filed an application pursuant to Section 63.03 of the Commission’s rules for the transfer of control of Villisca to FMTC. On November 9, 2010, the Commission approved the application.

³ 47 C.F.R. § 51.917(b)(1) and (b)(7).

requested because the study areas involved in this Petition are currently assigned to the same switched access rate bands, and therefore, a waiver of Section 51.909(a) is unnecessary. Grant of the requested waiver will allow Petitioner to implement the planned January 1, 2020 merger of the FMTC and Villisca study areas into FMTC.

I. INTRODUCTION AND SUMMARY

The Petitioner is a rate-of-return Incumbent Local Exchange Carrier (“ILEC”) in Iowa and is comprised of two study areas. FMTC, Study Area Code 351174 currently has approximately [REDACTED] voice access lines (residential and business) and [REDACTED] Data only lines operating in the following exchanges in Iowa: Stanton, New Market, and Bethesda. The FMTC study area has been administered as a cost company receiving legacy support. Villisca, Study Area Code 351324, currently has approximately [REDACTED] voice access lines (residential and business) and [REDACTED] Data only lines in the Villisca and Nodaway exchanges in Iowa. The Villisca study area has been administered as a cost company receiving legacy support.

To allow the Petitioner the efficiency of managing switched access, special access, and CAF-ICC compliance for a single study area, the Petitioner will merge the FMTC study area 351174 and the Villisca study area 351324 effective January 1, 2020.⁴ As explained below, grant of this petition is required in order for the merger to occur.

The FMTC SAC and the Villisca SAC are in the same rate bands for switched access services set forth in the National Exchange Carrier Association (“NECA”) Tariff F.C.C. No. 5, and therefore no waiver is required under Section 51.909(a).⁵ However, waivers are required to

⁴ Subsequent to grant of the requested waiver, the Petitioner will file with the FCC Wireline Competition Bureau a letter notification of the planned merger of commonly-owned study areas within the state of Iowa pursuant to FCC precedent.

⁵ 47 C.F.R §51.909(a).

recalculate for the merged study areas the 2011 Interstate Switched Access Revenue Requirement and 2011 Rate-of-Return Carrier Base Period Revenue necessary to determine CAF-ICC support. Therefore, Petitioner seeks waiver of Section 51.917(b)(1) to combine the 2011 Interstate Access Switched Access Revenue Requirements for the combined study areas into a consolidated 2011 Interstate Access Switched Access Revenue Requirement, and waiver of Section 51.917(b)(7) to combine the 2011 Rate-of-Return Base Period Revenues for the combined study areas into a single 2011 Rate-of-Return Base Period Revenue amount for the merged study area.

II. WAIVER STANDARD

In general, the FCC’s rules may be waived for good cause shown.⁶ Waiver is appropriate where the “particular facts would make strict compliance inconsistent with the public interest.”⁷ The FCC may grant a waiver of its rules where the requested relief would not undermine the policy objective of the rule in question, special circumstances warrant a deviation from the general rule, and such deviation will serve the public interest.⁸

III. WAIVER IS JUSTIFIED

A. Merger of FMTC SAC and Villisca SAC is in the Public Interest

The planned merger of the FMTC and Villisca study areas is consistent with Commission

⁷ See *AT&T Wireless Services, Inc. et al. v. Federal Communications Commission*, No. 00-1304 (D.C. Cir. 2001), citing *Northeast Cellular Tel. Co. v. FCC*, 897 F.2d 1164, 1166 (D.C. Cir. 1990) (“*Northeast Cellular*”).

policy encouraging consolidation of commonly owned study areas in the same state.⁹ Further, Commission precedent supports grant of petitions seeking waiver of Sections 51.917(b)(1) and 51.917(b)(7) in the context of merging commonly owned study areas within a state.¹⁰ The public interest is served by the increased administrative and operational efficiencies gained by consolidating these study areas. The resulting cost savings will permit greater resources for network investment which will ultimately benefit Petitioner's customers. Grant of the requested waiver prior to the planned January 1, 2020 study area merger will allow Petitioner to fully realize the benefits of its existing single-entity operations by adding the efficiencies of administering a single entity and other regulatory compliance for a single study area.

Petition for Waiver of Sections 51.909(a), 51.917(b)(1), and 51.917(b)(7) of the Commission's Rules to modify access rate bands and charges, and 2011 Base Period Revenue in connection with merger of affiliated study areas in Mississippi; Venture Communications Cooperative Petition for Waiver of Sections 51.909(a), 51.917(b)(1), and 51.917(b)(7) of the Commission's Rules to modify access rate bands and charges, and 2011 Base Period Revenue in connection with merger of affiliated study areas in South Dakota*, WC Docket Nos. 10-90, 17-252, 17-323; CC Docket No. 01-92, Order, 33 FCC Rcd 11764 (WCB 2018) (*Telapex-Venture Order*); see also *Federal-State Joint Board on Universal Service; Joint Petition for Waiver of the Definition of "Study Area" or the Appendix-Glossary of Part 36 of the Commission's Rules filed by Mutual Telephone Company of Sioux Center, Iowa d/b/a Premier Communications; Winnebago Cooperative Telecom Association*, WC Docket No. 10-90, CC Docket No. 96-45, Order, 31 FCC Rcd 10683 at 10691, para. 27 (WCB 2016) (approving allocating Base Period Revenue amounts using a simple average of the access line count for FY 2011 when only a portion of a study area is involved).

B. Zero Impact of Switched Access Rate Band Consolidation

As indicated previously, the FMTC SAC and the Villisca SAC share the same rate bands for Local Switching, Local Transport, and Tandem Switched Transport. Those rate bands will not change as a result of the proposed study area merger, and therefore, there will be no impact at all on switched access revenues. Therefore, a waiver of Section 51.909 (a) is not required.

C. Recalculation of 2011 Interstate Switched Access Revenue Requirement and Base Period Revenue Will Not Adversely Impact CAF-ICC

Exhibit A provides a summary of the expected CAF-ICC support as calculated by NECA. Access Recovery Charges will remain unchanged and therefore will have no impact on CAF-ICC or on end users. As described above, the Petitioner expects zero impact to switched access revenue, resulting in no change to CAF-ICC support. NECA projections indicate that the combined entity would receive [REDACTED] of CAF-ICC support for the projected test year 2019-2020 absent any changes to switched access rates, and as such, this change represents no impact on CAF-ICC for the test period.

IV. Conclusion

As demonstrated herein, "good cause" exists for grant of this waiver. Petitioners respectfully request the Commission act expeditiously to grant waiver of Section 51.917(b)(1) and 51.917((b)(7) of the rules in order that the FMTC SAC and Villisca study area merger may be implemented January 1, 2020.
