PARTIAL STATEMENT OF PUBLICATION

Peaches Broadcasting, Ltd. hereby submits partial proof that it has provided public notice of designation for hearing of the above-captioned applications. Peaches has attempted in good faith to complete publication, and has in fact published its notice four times.^{1/}

Respectfully submitted,

^{1/} Publication in the Florida Times-Union was requested in a timely manner by Peaches. However, due to miscommunication with the classified department of the newspaper, publication did not commence right away. In the mistaken belief that publication could take place in a daily business newspaper, Peaches published the notice three times in Jacksonville's Financial News and Daily Record. It has now completed publication once in the Florida Times-Union, and will publish the remaining three required notices in that newspaper in the next eight days. By the end of next week, Peaches intends to file a statement showing that it has properly completed publication in the Florida Times-Union.
