**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a sonic.net residential customer and I will be directly impacted by the proposed changes to the 1996 Telecommunications act. My service with sonic.net directly depends on UNE networks. I have been a long time sonic.net customer and i'm very satisfied with my internet service after having switched providers such as Comcast and AT&T mutliple times. There is market competition and customers that depend on UNE networks, please do not allow this market to be eliminated!
