Narrative Filing of this form is past the due date because our main focus was to make sure that our internet connection was covered. With AT&T as the only service provider for BadgerNet, we use WiscNet as our provider and the filing of this form 471 was very different from years past. So this portion of the Form 471 was not filed correctly. We realized this was omitted when we filed the 2018-2019 Form 470.

If you owe a past due debt to the Federal government, the information you provide may also be disclosed to the Department of the Treasury Financial Management Service, other Federal agencies and/or your employer to offset your salary, IRS tax refund or other payments to collect that debt. The FCC may also provide the information to these agencies through the matching of computer records when authorized. If you do not provide the information we request on the form, the FCC or the Universal Service Administrator may delay processing of your application for universal service discounts or may return your application without action.
