Letter from Robert J. Folliard, III to Ms. Alison Minea, DISH Network

September 29, 2016

**Via Overnight Mail**

DISH Network, L.L.C.  
1110 Vermont Ave., NW  
Suite 750  
Washington, DC 20005  
Attention: Ms. Alison Minea, Director & Senior Counsel, Regulatory Affairs

**Re: Satellite Market Modification Pre-Filing Coordination Letter**

Dear Ms. Minea:

As described in my September 15, 2016 letter to you, Gray Television Licensee, LLC (“Gray”) intends to file a petition with the FCC to seek modification of the local satellite television market of WYMT-TV, Hazard, Kentucky. Due to an unfortunate clerical error, that letter included an incorrect list of the counties that Gray will seek to add and subtract from WYMT-TV’s local satellite carriage market. The following statement of Gray’s intent to file a market modification application includes a corrected list of counties for which Gray requests an initial feasibility analysis of DISH Network’s ability to retransmit the Station is included in the following paragraphs.

Gray will propose modification to WYMT-TV’s local satellite carriage market to add the following counties located outside the Lexington, Kentucky Designated Market Area (“DMA”):

- Tri-Cities, TN-VA DMA: Leslie and Letcher Counties, Kentucky and Wise County, Virginia;
- Charleston-Huntington, WV DMA: Johnson, Martin, Floyd and Pike Counties, Kentucky; and
- Knoxville, TN DMA: Bell and Harlan Counties, Kentucky.

In addition, Gray will propose the deletion of the following counties located in the Lexington DMA from WYMT-TV’s local satellite carriage market:

- Russell, Casey, Lincoln, Boyle, Garrard, Mercer, Jessamine, Madison, Estill, Anderson, Woodford, Fayette, Clark, Montgomery, Menifee, Franklin, Scott, Bourbon, Bath, Rowan, Harrison, Nicholas, and Fleming.

In connection with Gray's market modification request and pursuant to the pre-filing procedures established by the FCC in its September 2, 2015 Report and Order, Gray hereby formally requests that DISH Network (1) determine the feasibility of retransmitting the Station to a market area consistent with the county additions and deletions described above; and (2) provide Gray with a certification reflecting the feasibility of these requested changes.

You may consider this letter to supersede my September 15 letter on this topic, and I apologize for any inconvenience the changes reflected in this letter may have caused to your company. Please provide the requested certification within 45 days of the date of this letter, or no later than November 14, 2016. Let me know at your earliest convenience if DISH Network will be unable to provide a timely response to this request.

Please feel free to contact me directly if you have any questions regarding this matter.

Very Truly Yours,

*[Signature]*

Letter from Robert J. Folliard, III to Ms. Linda Burakoff, DIRECTV

September 29, 2016

**Via Overnight Mail**

DIRECTV, LLC  
Local-Into-Local – Market Modification  
2260 East Imperial Highway  
El Segundo, CA 90245  
Attention: Linda Burakoff, Vice President, Content & Programming

**Re: Satellite Market Modification Pre-Filing Coordination Letter**

Dear Ms. Burakoff:

As described in my September 15, 2016 letter to you, Gray Television Licensee, LLC (“Gray”) intends to file a petition with the FCC to seek modification of the local satellite television market of WYMT-TV, Hazard, Kentucky. Due to an unfortunate clerical error, that letter included an incorrect list of the counties that Gray will seek to add and subtract from WYMT-TV’s local satellite carriage market. The following statement of Gray’s intent to file a market modification application includes a corrected list of counties for which Gray requests an initial feasibility analysis of DIRECTV’s ability to retransmit the Station is included in the following paragraphs.

Gray will propose modification to WYMT-TV’s local satellite carriage market to add the following counties located outside the Lexington, Kentucky Designated Market Area (“DMA”):

- Tri-Cities, TN-VA DMA: Leslie and Letcher Counties, Kentucky and Wise County, Virginia;
- Charleston-Huntington, WV DMA: Johnson, Martin, Floyd and Pike Counties, Kentucky; and
- Knoxville, TN DMA: Bell and Harlan Counties, Kentucky.

In addition, Gray will propose the deletion of the following counties located in the Lexington DMA from WYMT-TV’s local satellite carriage market:

- Russell, Casey, Lincoln, Boyle, Garrard, Mercer, Jessamine, Madison, Estill, Anderson, Woodford, Fayette, Clark, Montgomery, Menifee, Franklin, Scott, Bourbon, Bath, Rowan, Harrison, Nicholas, and Fleming.

In connection with Gray's market modification request and pursuant to the pre-filing procedures established by the FCC in its September 2, 2015 Report and Order, Gray hereby formally requests that DIRECTV (1) determine the feasibility of retransmitting the Station to a market area consistent with the county additions and deletions described above; and (2) provide Gray with a certification reflecting the feasibility of these requested changes.

You may consider this letter to supersede my September 15 letter on this topic, and I apologize for any inconvenience the changes reflected in this letter may have caused to your company. Please provide the requested certification within 45 days of the date of this letter, or no later than November 14, 2016. Let me know at your earliest convenience if DIRECTV will be unable to provide a timely response to this request.

Please feel free to contact me directly if you have any questions regarding this matter.

Very Truly Yours,

Robert J. Folliard, III  
Assistant Secretary  
Gray Television Licensee, LLC

DIRECTV Response to Pre-Filing Coordination Letter

November 7, 2016

Via Email and US Mail

Robert J. Folliard, III  
Assistant Secretary  
Gray Television Licensee, LLC  
4370 Peachtree Road, NE  
Atlanta, GA 30319  
[Robert.Folliard@gray.tv](mailto:Robert.Folliard@gray.tv)

Dear Mr. Folliard:

Please find attached the results of your request for a preliminary evaluation of a potential market modification for station WYMT in Leslie, Letcher, Wise, Johnson, Martin, Floyd, Pike, Bell and Harlan Counties. Because DIRECTV currently does not carry the requested station, WYMT (CBS), DIRECTV has reviewed the request to add the above counties to WYMT (CBS)'s local television market based upon DIRECTV's carriage of Gray Television's station WKYT (CBS), which is assigned to the same Lexington KY DMA and is currently carried by DIRECTV.

DIRECTV's engineering staff was given the areas to evaluate for our Lexington, KY spot beam, and have found that DIRECTV lacks sufficient spot beam capacity to carry both WYMT (CBS) and WKYT (CBS) stations in any of the counties associated with this request, regardless of whether the following counties located in the Lexington DMA are deleted from WYMT (CBS)'s local satellite carriage market: Russell, Casey, Lincoln, Boyle, Garrard, Mercer, Jessamine, Madison, Estill, Anderson, Woodford, Fayette, Clark, Montgomery, Menifee, Franklin, Scott, Bourbon, Bath, Rowan, Harrison, Nicholas, and Fleming, KY.

DIRECTV only has sufficient spot beam capacity and coverage to carry one of these two stations (i.e., either WYMT or WKYT) in the Lexington, KY DMA. Thus it would be technically infeasible for DIRECTV to carry WYMT (CBS) anywhere in the Lexington, KY DMA unless DIRECTV were to stop carrying WKYT (CBS) in that DMA. Accordingly, if Gray Television would prefer DIRECTV to carry WYMT (CBS) in lieu of WKYT (CBS) in the Lexington, KY DMA, then:

- DIRECTV's spot beam covers **all** current zip codes in Leslie County, KY
- DIRECTV's spot beam covers **all** current zip codes in Letcher County, KY
- DIRECTV's spot beam covers **all** current zip codes in Wise County, VA
- DIRECTV's spot beam covers **all** current zip codes in Johnson County, KY
- DIRECTV's spot beam covers **all** current zip codes in Martin County, KY
- DIRECTV's spot beam covers **all** current zip codes in Floyd County, KY

- DIRECTV's spot beam covers **all** current zip codes in Pike County, KY
- DIRECTV's spot beam covers **all** current zip codes in Bell County, KY
- DIRECTV's spot beam covers **all** current zip codes in Harlan County, KY

DIRECTV will forward the results of this preliminary evaluation to the FCC for their records.

Thank you for your letter and your interest in DIRECTV programming.

Sincerely,

DIRECTV

# Form of Certification Regarding Spot Beam Coverage

1. My name is Phil Goswitz. I am SVP of Engineering at DIRECTV. As such, I am responsible for determining service areas for television stations carried on DIRECTV's spot beams.

2. Because DIRECTV currently does not carry the requested station, WYMT (CBS), DIRECTV has reviewed the request to add the communities listed below to WYMT(CBS)'s local television market based upon DIRECTV's carriage of Gray Television's station WKYT (CBS), which is assigned to the same Lexington, KY DMA, and is currently carried by DIRECTV.

Station	State	County
WYMT	KY	LESLIE
WYMT	KY	LETCHER
WYMT	KY	JOHNSON
WYMT	KY	MARTIN
WYMT	KY	FLOYD
WYMT	KY	PIKE
WYMT	KY	BELL
WYMT	KY	HARLAN
WYMT	VA	WISE

3. DIRECTV has analyzed, with respect to each zip code associated with this request, the expected performance against specific performance criteria. The following factors have been included in this analysis:

- The measured performance of the spot beam covering this Television Station's local market.
- Estimated atmospheric effects for reception of the signal.
- Estimated levels of interference.
- The amount of capacity currently used, and reasonably expected to be used, on the spot beam.
- The target availability figure used for all television stations offered on the spot beam.

4. From this analysis, DIRECTV has derived the following metrics, which it has used to evaluate the potential to provide service in the zip code(s) in question:

- Signal availability.
- Clear sky signal margin.
- Total carrier-to- interference ratio.

5. DIRECTV has conducted this analysis in substantially the same manner and using substantially the same parameters used to determine the geographic area in which it currently offers stations carried on the spot beam.

6. Based on our analysis of DIRECTV's spot beam coverage and capacity in carrying WKYT (CBS) in the Lexington, KY DMA, DIRECTV has determined that it lacks sufficient spot beam capacity to carry both WYMT(CBS) and WKYT(CBS) stations in any of the communities associated with this request, regardless whether the following counties located in the Lexington DMA are deleted from WYMT(CBS)'s local satellite carriage market: Russell, Casey, Lincoln, Boyle, Garrard, Mercer, Jessamine, Madison, Estill, Anderson, Woodford, Fayette, Clark, Montgomery, Menifee, Franklin, Scott, Bourbon, Bath, Rowan, Harrison, Nicholas, and Fleming, KY.

(continued on page 2)

(continued from previous page)

DIRECTV only has sufficient spot beam capacity and coverage to carry one of those two stations (i.e., either WYMT or WKYT) in the Lexington DMA. Thus it would be technically infeasible for DIRECTV to carry WYMT(CBS) anywhere in the Lexington, KY DMA unless DIRECTV were to stop carrying WKYT in that DMA. Accordingly, if Gray Television would prefer DIRECTV to carry WYMT(CBS) in lieu of WKYT(CBS) in the Lexington, KY DMA, then DIRECTV:

- ☒HD ☒SD Can provide service to all the zip codes associated with this request.\*  
☐HD ☐SD Cannot provide service to any zip code associated with this request because reception of the signal does not meet the minimum performance thresholds for DIRECTV's service.  
☐HD ☐SD Cannot provide service to some zip codes associated with this request because reception of the signal does not meet the minimum performance thresholds for DIRECTV's service.\* The list of unserved zip codes is attached.

\* IMPORTANT: SD coverage will no longer be available after 2018/2019 when the existing MPEG 2 satellite is removed from service.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on 4 Nov 16  
Date

Signature

*Re: STELAR Feasibility Certification, Market Modification Pre-Filing Coordination Letter  
for WYMT-TV, Hazard, Kentucky, MB Docket No. 15-71*

Dear Mr. Folliard:

DISH Network L.L.C. ("DISH") is in receipt of your pre-filing coordination letter ("Letter"),<sup>1</sup> pursuant to the procedures set forth in the Federal Communications Commission's ("FCC") rules governing market modifications for satellite carriers under the STELA Reauthorization Act of 2014 ("STELAR").<sup>2</sup>

The Letter requests information regarding carriage of WYMT-TV of Hazard, Kentucky into several counties in Kentucky and Virginia. According to our records, however, DISH does not carry WYMT-TV today in any market. Therefore, DISH is not in a position to evaluate the technical or economic feasibility of carrying WYMT-TV to additional markets outside of the station's Nielsen-assigned designated market area.

Please contact me if you have any questions.

Sincerely,

/s/ Alison Minea

Alison Minea  
Director & Senior Counsel, Regulatory  
Affairs

---

<sup>1</sup> Letter from Robert J. Folliard, III, Gray Television Licensee, LLC to Alison A. Minea, DISH, Sept. 29, 2016.

<sup>2</sup> See Amendment to the Commission's Rules Concerning Market Modification, Implementation of Section 102 of the STELA Reauthorization Act of 2014, *Report and Order*, MB Docket No. 15-71, FCC 15-111, ¶ 47 (Sept. 2, 2015) ("*Market Modification Order*"). See also STELA Reauthorization Act of 2014 (STELAR), § 102, Pub. L. No. 113-200, 128 Stat. 2059, 2060-62 (2014) (codified at 47 U.S.C. § 338(l)).
