EB Docket 06-36

Annual 64.2009(e) CPNI Certification for 2017

Date signed: January 11, 2018

Name of Company Covered by this Certification:

North Dakota Long Distance, LLC

499 Filer ID

809521

Name of signatory: Juli Bryl

Title of signatory: General Manager

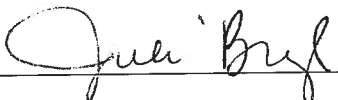

I, Juli Bryl, certify that I am an officer of the company named above, and acting as an agent of the company, that I have personal knowledge that the company has established operating procedures that are adequate to ensure compliance with the Commission's CPNI rules. *See* 47 C.F.R. § 64.2001 *et seq.*

Attached to this certification is an accompanying statement explaining how the company's procedures ensure that the company is in compliance with the requirements (including those mandating the adoption of CPNI procedures, training, safeguards, recordkeeping, and supervisory review) set forth in section 64.2001 *et seq.* of the Commission's rules.

The company has not taken actions (*i.e.*, proceedings instituted or petitions filed by a company at either state commissions, the court system, or at the Commission against data brokers) against data brokers in the past year.

The company has not received customer complaints in the past year concerning the unauthorized release of CPNI.

The company represents and warrants that the above certification is consistent with 47. C.F.R. § 1.17 which requires truthful and accurate statements to the Commission. The company also acknowledges that false statements and misrepresentations to the Commission are punishable under Title 18 of the U.S. Code and may subject it to enforcement action.

2017 ANNUAL STATEMENT OF FCC CPNI RULE COMPLIANCE
January 11, 2018

This statement accompanies the Company's 2017 Customer Proprietary Network Information ("CPNI") Certification, as required by Section 64.2009(e) of the Federal Communications Commission's ("FCC's") rules, for the purpose of explaining how the operating procedures of the Company ensure compliance with Part 64, Subpart U of the FCC's rules. *See 47 C.F.R. § 64.2001 et seq.*

All subsequent references to rule Sections refer to rules under Part 64, Subpart U unless indicated otherwise.

1. Single Category of Telecommunications Service

The Company's service is limited to the interexchange category of telecommunications service. The Company uses CPNI derived from provision of interexchange service for marketing interexchange services to its interexchange service subscriber base, including current and former customers. Because the Company does not market services outside interexchange service, the Company has not undertaken Opt-Out or Opt-In Notification.

2. Identification of CPNI

The Company has established procedures and trained employees having access to, or occasion to use customer data, to identify what customer information is CPNI consistent with the definition of CPNI under the Section 64.2003(g) and Section 222(f)(1) of the Communications Act of 1934 as amended (47 U.S.C. § 222(f)(1)).

3. Identification of Permissible Uses of CPNI without Customer Authorization

The Company has established procedures and trained employees having access to, or occasion to use CPNI, to identify uses of CPNI not requiring customer authorization under Section 64.2005.

4. Identification of Uses of CPNI Requiring Customer Authorization

The Company has established procedures and trained employees having access to, or occasion to use CPNI, to identify uses of CPNI requiring customer authorization under Section 64.2007.

5. Procedures Protecting Against Disclosure of CPNI

The Company has implemented procedures for compliance with new Section 64.2010 including, but not limited to the following:*

Authentication of customers before disclosing CPNI on customer-initiated telephone contacts or business office visits.

The Company does not provide customers with on-line access to customer account information.

The Company has implemented procedures to provide immediate notification to customers of account changes, including changes in address-of-record and attempts at access to CPNI through use of back-up methods due to forgotten passwords.

6. Actions Taken Against Data Brokers and Responses to Customer Complaints

Pursuant to Section 64.2009, the Company makes the following explanation of any actions taken against data brokers and a summary of all customer complaints received in the past year concerning the unauthorized release of CPNI:

<u>Not applicable.</u>	No actions taken against data-brokers.
	No customer complaints received.

7. Disciplinary Process

The Company has in place an express disciplinary process to address any unauthorized use of CPNI where the circumstances indicate authorization is required under Section 64.2009(b).

8. Supervisory Review Process for Outbound Marketing

The Company has a supervisory review process to ensure compliance with Section 64.2009(d) of the FCC's Part 64, Subpart U CPNI rules as well as related record-keeping pursuant to Section 64.2009(c).

9. Procedures for Notifying Law Enforcement of CPNI Security Breaches

The Company has adopted procedures to comply with Section 64.2011 for notifying law enforcement of CPNI security breaches, together with related record-keeping and deferred notification to customers.
