The Transferor and Authorization Holder is Endstream Communications, LLC, a Limited Liability Company organized in the state of New York. The Transferee is Hammer Fiber Optics Holdings Corp., a publicly-held Nevada Corporation (“Hammer” or “Transferee”). On September 11, 2018, Endstream and Hammer entered into a Stock Purchase Agreement, whereby Hammer agreed to acquire 100% of Endstream’s stock in exchange for 1,957,116 shares of the Hammer’s common stock from treasury stock. The transaction will be fully consummated upon receipt of required regulatory approvals.

Endstream operates as a wholesale provider of domestic and international telecommunications services that are purchased by other carriers to provide interconnected VoIP, toll free, calling card and other communications services.

In response to Section **63.18(d)** of the FCC Regulations:

On September 21, 2007, Endstream was granted Section 214 Authority to "Global or Limited Global Resale Service." File No. ITC-214-20070904-0355, Public Notice – International Authorizations Granted, Report No. TEL-01191 (DA No. 07-4074; rel. September 27, 2007). Although Hammer Fiber Optic Holdings Corp. does not hold an international 214 license, its subsidiary Hammer Fiber Optic Investments Ltd, holds international 214 license, File No. ITC-214-20160323-00124.

C. Answer to Question 11

Transferee is a publicly-traded company. No single individual owns 10% or more of the shares of the Transferee.

D. Answer to Question 12

Transferee has no interlocking directorates with any foreign carrier.

E. Answer to Question 13

The transfer of control will take place as a stock acquisition, generally described in the preceding paragraphs, namely, the acquisition by the Transferee of 100% of the stock of Transferor. The transfer will not affect the operations of Endstream or its management, which will retain its name and continue to operate as a separate affiliate of Hammer and wishes to retain its international authority under ITC-214-20070904-0355.

F. Answer to Question 20

This Application qualifies for streamlines processing under Section 63.12 because:

- (1) The Applicant is NOT affiliated with a foreign carrier in a destination market; and
- (2) The Applicant does NOT have an affiliation with any dominant U.S. carrier.

G. Public Interest Statement

The Transaction described herein serves the public interest because it will provide the Applicant with additional access to capital to expand its competitive operations to the benefit of consumers. The Transaction will have no negative impact on Endstream's operations, as Mr. Levitt will remain the CEO of Endstream following the transaction and will continue to run the Company's day-to-day operations.

H. Information Required by Section 63.04

In lieu of an attachment, pursuant to Commission Rule 63.04(b), 47 C.F.R. § 63.04(b) Applicant submits the following information in support of their request for approval of the transfer of control of its domestic Section 214 authority in order to address the requirements set forth in 47 C.F.R. § 63.04(a)(6)-(12):

(a)(6) A description of the proposed Transaction is set forth in **Section E** above.

(a)(7) Endstream Communications, LLC operates as a wholesale provider of domestic and international telecommunications services that are purchased by other carriers to provide interconnected VoIP, toll free, calling card and other communications services. Its services are offered nationwide.

(a)(8) Applicants respectfully submit that this Application is eligible for streamlined processing pursuant to 47 C.F.R. §63.03. In particular, this Application is eligible for streamlined processing pursuant to Section 63.03(b)(1)(ii) because the Transferee is not a telecommunications provider.

(a)(9) Applicant is filing an International Section 214 Special Temporary Authority Application and a late-filed Application for a transfer of control that took place in 2011 simultaneously with this filing.

(a)(10) No party is requesting special consideration because it is facing imminent business failure.

(a)(11) Not applicable.

(a)(12) A statement showing how grant of the application will serve the public interest, convenience and necessity is provided in **Section G** above.

Conclusion

For the reasons stated above, Applicant respectfully submits that the public interest, convenience, and necessity would be furthered by a grant of this Application. Applicant respectfully requests that the Commission approve the proposed Transaction as soon as possible.

Respectfully Submitted,

/s/ Sharon Thomas
