We provided service in 2015 for our customer Vanguard Academy. Vanguard Academy paid \$17,069.57 (40%) and the final \$25604.35 (60%) was approved to be paid by USAC. Vanguard Academy was processing all the USAC information for us. When it wasn't getting taken care of, we took over the filing, not realizing it had already passed the due date, to process it ourselves early 2017. After working with USAC for 2 years we were informed the due date was 01/30/2017. We are now filing a waiver in hopes of receiving payment for the work we've done.

I have attached USAC agreements, invoices, and any other information necessary to complete this process. If more information is needed please let me know.

Thank you,

AAA Security

Re: Service Provider Name: A A A Security
Service Provider Identification Number: 143046848

Thank you for participating in the Schools and Libraries Program (Program) for Funding Year 2015. This letter is your notification of our decision(s) regarding application funding requests that listed your company's Service Provider Identification Number (SPIN).

NEXT STEPS

- File FCC Form 498, Service Provider Information Form, if appropriate.
- File FCC Form 473, Service Provider Annual Certification Form (SPAC), for the above Funding Year.
- Work with your customer to provide appropriate invoicing to USAC - FCC Form 474, Service Provider Invoice (SPI) or Billed Entity Applicant Reimbursement (BEAR).

Please refer to the Funding Commitment Report(s) (Report) following this letter for specific funding request decisions and explanations. Each Report contains detailed information extracted from the applicant's FCC Form 471. A guide that provides a definition for each line of the Report is available in the Guide to USAC Letter Reports in the Reference Area of our website.

Once you have reviewed this letter, we urge you to contact your customers to establish any necessary arrangements regarding start of services, billing of discounts, and any other administrative details for implementation of discount services. As a reminder, only eligible services delivered in accordance with Federal Communications Commission (FCC) rules are eligible for these discounts.

TO APPEAL THIS DECISION:

OBLIGATION TO PAY NON-DISCOUNT PORTION

Applicants are required to pay the non-discount portion of the cost of the products and/or services to their service provider(s). Service providers are required to bill applicants for the non-discount portion. The FCC stated that requiring applicants to pay their share ensures efficiency and accountability in the program. If USAC is being billed via the FCC Form 474, the service provider must bill the applicant at the same time it bills USAC. If USAC is being billed via the FCC Form 472, the applicant pays the service provider in full (the non-discount plus discount portion) and then seeks reimbursement from USAC. If your customer is using a trade-in as part of the non-discount portion, please refer to Disposal or Trade-in of Equipment posted in the Reference Area of our website for more information.

NOTICE ON RULES AND FUNDS AVAILABILITY

Applicants' receipt of funding commitments is contingent on their compliance with all statutory, regulatory, and procedural requirements of the Schools and Libraries Program. Applicants who have received funding commitments continue to be subject to audits and other reviews that USAC and/or the FCC may undertake periodically to assure that funds that have been committed are being used in accordance with all such requirements. USAC may be required to reduce or cancel funding commitments that were not issued in accordance with such requirements, whether due to action or inaction, including but not limited to that by USAC, the applicant, or the service provider. USAC, and other appropriate authorities (including but not limited to the FCC), may pursue enforcement actions and other means of recourse to collect improperly disbursed funds.
