In the Matter of

Certifications Regarding Horizontal Location Accuracy) PS Docket No. 17-78

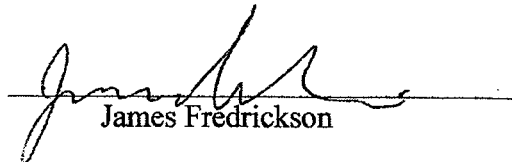

**NOTICE OF FILING OF
REQUEST FOR WAIVER AND
CERTIFICATION OF CONTENTS THEREOF**

Concurrently herewith, ATN International, Inc., on behalf of its direct and indirect Commercial Radio Service ("CMRS") subsidiaries, including partially-owned subsidiaries (collectively, "ATN"), is filing in PS Docket No. 07-114 a Contingent Request for Waiver of the E911 location accuracy benchmarks of Section 20.18(h)(2)(ii) of the Commission's Rules ("Waiver Request"). The reasons for waiver are set forth therein.

ATN is filing the Waiver Request because it is unable to certify that its networks have met the benchmarks set forth in that rule.

The undersigned is the Vice President Network Engineering for ATN's CMRS operations in the USVI, and supervises the personnel within ATN who are responsible for maintaining compliance with Commission rules pertaining to 911 service. I have read the Waiver Request and, to the best of my knowledge, information and belief, all facts set forth therein are true and correct.
