Ex Parte Notice of the Hearing Industries Association

Dear Ms. Dortch:

On January 17, 2017, the undersigned met with the following individuals regarding the above-captioned proceedings:

Robert Aldrich, FCC CGB DRO
Susan Bahr, FCC CGB DRO
Suzy Rosen Singleton, FCC CGB DRO
Karen Peltz Strauss, FCC CGB DRO
William Maher, Counsel for CTIA
Rachel Wolkowitz, Counsel for TIA
James Reid, TIA
Tom Goode

Via telephone:

Steve Berger, Consultant to HIA
Steve Whitesell
Jim Bress

The parties engaged in a wide-ranging discussion regarding the draft Report and Order for these proceedings. HIA raised questions regarding the timeline of the issuance of PNs giving notice of new or revised HAC standards; whether the power-down exception for GSM phones would be eliminated; and whether the present ANSI procedures were deemed as sufficient to

fulfill the public participation requirements. The parties also discussed the status of the C63.19 volume control standards setting process for wireless handsets, and the involvement of consumer groups in that process.

Please direct any questions to the undersigned.

Respectfully submitted,

/s/

Laura A. Stefani
