Appellant/Applicant Name: Orange School District
Billed Entity Number: 129496
Form 471 Application Number: 161039235
Funding Request Number: 1699084709

To Whom It May Concern:

Orange School District is appealing the **Revised** Funding Commitment Decision Letter from the Schools and Libraries Division that was received August 15, 2018.

Revised Funding Commitment Decision Comments: “FCC rules require that all products and services for which an applicant requests discounts on an FCC Form 471 must be competitively bid on an FCC Form 470. The FCC Form 470 must include a complete description of the services for which discounts are sought, be posted on the website for 28 days, and applicants must carefully consider all bids received before selecting a vendor, entering into a legal binding agreement or signing a contract, and signing and submitting an FCC Form 471. See 47 C.F.R. secs. 54.503(b) and (c), 54.511(a). These competitive bidding requirements help to ensure that applicants receive the lowest pre-discount price from vendors. See Federal-State Joint Board on Universal Service, CC Docket No. 96-45, Order on Reconsideration, 12 FCC Rcd 10095, 10098, Fcc 97-246 para. 9 (rel. Jul. 10, 1997).”

Narrative:

A clerical error was made when preparing Form 471 Application Number 161039235. Form 470 Application Number 160018031 was certified on January 13, 2016 to seek bids for Managed Internal Broadband Services for existing equipment for 3 instructional buildings. The 28 day bid process was completed on February 10, 2016. Two bids were received during the 28 day bid period. After evaluating all bids, Bailey Communications Inc. was selected as the winning bidder. A contract was signed for Managed Internal Broadband Services and Basic Maintenance of Internal Connections on April 25, 2016. Funding Request Number 1699084709 was created with a Service Type of Basic Maintenance of Internal Connections. **This Service Type was selected in error.** We only sought bids for Managed Internal Broadband Services and the Service Type of Managed Internal Broadband Services should have been selected. The Form 471 Application was certified on May 7, 2016. During the PIA review neither the district nor the PIA reviewer was aware of the Service Type error. The funding request was approved as submitted.

Conclusion:

Orange School District is appealing the Revised Funding Commitment Decision Letter received on August 15, 2018.

USAC Decision: There was no Form 470 posted for the Managed Internal Broadband Services.

The Form 470 Application Number 160018031 was posted on January 13, 2016 with Managed Internal Broadband Services requested. Orange School District acknowledges the clerical error that was made for Funding Request Number 1699084709 and requests that the **Service Type** be changed from **Basic Maintenance of Internal Connections to Managed Internal Broadband Services**. Orange School District is also aware that the Bailey Communications Inc. contract includes costs for Basic Maintenance of Internal Connections that is not E-Rate eligible.

Bailey Communications Inc. (documentation attached) provided the following breakdown for each service:

- Managed Internal Broadband Services - \$19,426.46
- Basic Maintenance of Internal Connections - \$8,325.62
- Total Pre-Discount Cost - \$27,752.08

Orange School District requests FRN 1699084709 be reduced from the pre-discount cost of \$27,752.08 to \$19,426.46. The Funding Commitment Amount should be adjusted from \$11,100.82 to \$7,770.58.

Based on the evidence provided, Orange School District requests the FCC reinstate the funding for Funding Request Number 1699084709 to a total of \$7,770.58. Based on a successful appeal, Orange School District will return funding in the amount of \$3,330.24.

Our review of your Schools and Libraries Universal Service Support Program (or E-rate) funding request has determined funds were committed in violation of Federal Communications Commission (FCC) rules. You have 60 days from the date of this letter to appeal the following decision(s). For more detailed information see below.

Total commitment adjustment: \$11,100.82

Total amount to be recovered: \$11,100.82

FCC Form 471	FRN	Commitment adjustment	Total amount to be recovered	Explanation(s)	Party to recover from
161039235	1699084709	\$11,100.82	\$11,100.82	Failure to post a FCC Form 470 for the category of service for which the applicant sought funding on the FCC Form 471	BEN

See Attached Adjustment Report for more information on the specific FRNs and Explanations listed above.

Commitment Adjustment

FCC rules require the Universal Service Administrative Company (USAC) to rescind commitments and recover funding when it is determined that funding was committed and disbursed in violation of the rules. This letter notifies you that USAC will be adjusting your funding commitment(s) and provides information on how to appeal this decision.

This is NOT a bill. If disbursed funds need to be recovered, USAC will issue a Demand Payment Letter. The debt referenced in the Demand Payment Letter will be due within 30 days of that letter's date. Failure to pay the debt may result in interest, late payment fees, and administrative charges and will invoke the FCC's "Red Light Rule."

FCC's Red Light Rule

The FCC Red Light Rule requires USAC to dismiss pending FCC Form 471 applications, appeals, and invoices or to net disbursements offsetting the debt if the entity responsible for paying the outstanding debt owed to the FCC has not paid the debt or made satisfactory arrangements to pay the debt within 30 days of the Demand Payment Letter. For information on the Red Light Rule, see

<https://www.fcc.gov/licensing-databases/fees/debt-collection-improvement-act-implementation>.

To Appeal This Decision

If you wish to contest any part of this letter, you must first file an appeal with USAC to seek review of the decision. Parties that have filed an appeal with USAC and received an adverse decision may, if they choose, appeal USAC's decision to the FCC. Parties seeking a waiver of a codified FCC rule should file a request for waiver directly with the FCC because

USAC cannot waive FCC rules. Your appeal to USAC or waiver request to the FCC must be filed within 60 days of the date of this letter.

All appeals filed with USAC must be filed in EPC by selecting "Appeal" from the menu in the top right hand corner of your landing page and providing the requested information.

Your appeal should include the following information. (Because you file the appeal through your EPC account, the system will automatically fill in some of these components for you).

- 1) Name, address, telephone number, and email address for the contact person for this appeal.
- 2) Indicate specifically that your letter is an appeal. Include the following to identify the USAC decision letter (e.g., Commitment Adjustment Letter) and the decision you are appealing:
 - a. Appellant name;
 - b. Applicant name and service provider name, if different from appellant;
 - c. Applicant BEN and Service Provider Identification Number (SPIN);
 - d. FCC Form 471 Application Number and the Funding Request Number (FRN) or Numbers as assigned by USAC;
 - e. "Commitment Adjustment Letter," AND the exact text or the decision that you are appealing.
- 3) Identify the problem and the reason for the appeal and explain precisely the relief sought. Please keep your appeal to the point, and provide supporting documentation. Be sure to keep a copy of your entire appeal, including any correspondence and documentation. A copy will automatically be saved for you in EPC. USAC will reply to your appeal submission to confirm receipt.

For more information on submitting an appeal to USAC including step by step instructions on how to file the appeal through EPC, please see "Appeals" in the Schools and Libraries section of the USAC website.

As mentioned, parties seeking a waiver of FCC rules or that have filed an appeal with USAC and received a decision may file a request for waiver or appeal USAC's decision to the FCC. Waiver requests or appeals to the FCC must be made within 60 days of the issuance of USAC's decision and include all of the information referenced above for appeals to USAC.

The FCC recommends filing appeals or waiver requests with the Electronic Comment Filing System (ECFS) to ensure timely filing. Electronic waiver requests or appeals will be considered filed on a business day if they are received at any time before 11:59 PM ET. If you have questions or comments about using the ECFS, please contact the FCC directly at (202) 418-0193.

For more information about submitting waiver requests or appeals to the FCC, including options to submit the waiver request or appeal via U.S. mail or hand delivery, visit the FCC's website.

Adjustment Report

FCC Form 471 Application Number:	161039235
Funding Request Number:	1699084709
Commitment Adjustment:	\$11,100.82
Total Amount to Be Recovered:	\$11,100.82
Explanation(s):	Failure to post a FCC Form 470 for the category of service for which the applicant sought funding on the FCC Form 471
Party to Recover From:	BEN
Funding Year:	2016
Billed Entity Number:	129496
Services Ordered:	Basic Maintenance of Internal Connections
Service Provider Name:	Bailey Communications Inc.
SPIN:	143008213
Original Funding Commitment:	\$11,100.82
Adjusted Funding Commitment:	\$0.00
Funds Disbursed to Date:	\$11,100.82

Funding Commitment Adjustment Explanation:

After a thorough investigation, it has been determined that this funding commitment must be rescinded in full and we are seeking recovery of disbursed funds. FCC Form 470 did not include the service(s) for which funding was sought in the FCC Form 471 application, which is a violation of the FCC's competitive bidding rules. The applicant does not have a 470 that posts for Basic Maintenance of Internal Connections Service. FCC rules require that, except under limited circumstances, all eligible schools and libraries shall seek competitive bids for all services eligible for support by submitting a complete FCC Form 470 to USAC web site for potential service providers to evaluate. Since the services for which you sought funding were not properly posted to the website for competitive bidding, the commitment of \$11,100.82 has been rescinded in full and USAC will seek recovery of \$11,100.82 in disbursed funds from the applicant.

I respectfully request that the commitment adjustment be reviewed and waived. Our consulting company at the time of the application mistakenly chose the wrong category of service. In reviewing the documentation and processing this year's application we discovered that our consulting firm at the time by clerical error chose Basic maintenance of internal connections on the 471 rather than Managed Internal Broadband Services (as posted on the 470). Could you review why this wasn't caught by USAC during the filing and/or review process? Please also see apple ORANGE471CAT2FY2016 - #91631. This appeal was our attempt to fix this issue.

Thank you!
Jennette Irish-Glass

What is in this letter?

Thank you for submitting your post-commitment request for Funding Year 2016 Schools and Libraries Program (E-rate) funding. Attached to this letter, you will find the revised funding statuses and/or post commitment changes to the original Funding Commitment Decision Letter (FCDL) you received. Below are the changes that were made:

- Appeals

The Universal Service Administrative Company (USAC) is providing this information to both the applicant(s) and the service provider(s) so that all parties are aware of the post-commitment changes related to their funding requests and can work together to complete the funding process for these requests.

Next Steps

1. **File the FCC Form 486**, Service Confirmation and Children's Internet Protection Act (CIPA) Certification Form, for any FRNs included in this RFCDL, if you have not already done so. Please review the CIPA requirements and file the form(s).

BEN Name: ORANGE SCHOOL DISTRICT

BEN: 129496

Post Commitment Wave: 56

- o **If USAC approved funding on an FRN in your original FCDL**, the deadline to submit the FCC Form 486 is 120 days from the date of the original FCDL or from the service start date (whichever is later).
 - o **If a new FRN was created for this RFCDL or funding was not approved on an FRN in your original FCDL but is approved in this RFCDL**, the deadline to submit the FCC Form 486 is 120 days from the date of this RFCDL or from the service start date (whichever is later).
2. **Invoice USAC**, if you or your service provider have not already done so. Work with your service provider(s) to determine if your bills will be discounted or if you will request reimbursement from USAC after paying your bills in full.
- **If you (the applicant) are invoicing USAC:** You must pay your service provider(s) the full cost for the services you receive and file the [FCC Form 472](#), the Billed Entity Applicant Reimbursement (BEAR) Form, to invoice USAC for reimbursement of the discounted amount.
 - **If your service provider(s) is invoicing USAC:** The service provider(s) must provide services, bill the applicant for the non-discounted share, and file the [FCC Form 474](#), the Service Provider Invoice (SPI) form, to invoice USAC for reimbursement for the discounted portion of costs. Every funding year, service providers must file an [FCC Form 473](#), the Service Provider Annual Certification Form, to be able to submit invoices and to receive disbursements.
 - **To receive an invoice deadline extension, the applicant or service provider** must request an extension on or before the last date to invoice. **If you anticipate, for any reason, that invoices cannot be filed on time**, USAC will grant a one-time, 120-day invoice deadline extension if timely requested.

How to Appeal or Request a Waiver of a Decision

You can appeal or request a waiver of a decision in this letter **within 60 calendar days** of the date of this letter. Failure to meet this deadline will result in an automatic dismissal of your appeal or waiver request.

Note: The Federal Communications Commission (FCC) will not accept appeals of USAC decisions that have not first been appealed to USAC. However, if you are seeking a waiver of E-rate program rules, you must submit your request to the FCC and not to USAC. USAC is not able to waive the E-rate program rules.

- **To submit your appeal to USAC**, visit the Appeals section in the [E-rate Productivity Center \(EPC\)](#) and provide the required information. USAC will reply to your appeal submissions to confirm receipt. Visit USAC's [website](#) for additional information on submitting an appeal to USAC, including step-by-step instructions.
- **To request a waiver of the FCC's rules or appeal USAC's appeal decision**, please submit it to the FCC in proceeding number CC Docket No. 02-6 using the [Electronic Comment Filing System](#) (ECFS). Include your contact information, a statement that your filing is a waiver request,

BEN Name: ORANGE SCHOOL DISTRICT

BEN: 129496

Post Commitment Wave: 56

identifying information, the FCC rule(s) for which you are seeking a waiver, a full description of the relevant facts that you believe support your waiver request and any related relief, and any supporting documentation.

For appeals to USAC or to the FCC, be sure to keep a copy of your entire appeal, including any correspondence and documentation, and provide a copy to the affected service provider(s).

Obligation to Pay Non-Discount Portion

Applicants are required to pay the non-discount portion of the cost of the eligible products and/or services to their service providers. Service providers are required to bill applicants for the non-discount portion of costs for the eligible products and/or services. The FCC stated that requiring applicants to pay the non-discounted share of costs ensures efficiency and accountability in the program. If using the BEAR invoicing method, the applicant must pay the service provider in full (the non-discount plus discount portion) **before** seeking reimbursement from USAC. If using the SPI invoicing method, the service provider must first bill the applicant **before** invoicing USAC.

Notice on Rules and Funds Availability

The applicants' receipt of funding commitments is contingent on their compliance with all statutory, regulatory, and procedural requirements of the Schools and Libraries Program and the FCC's rules. Applicants who have received funding commitments continue to be subject to audits and other reviews that USAC and/or the FCC may undertake periodically to assure that funds that have been committed are being used in accordance with such requirements. USAC may be required to reduce or cancel funding commitments that were not issued in accordance with such requirements, whether due to action or inaction, including but not limited to that by USAC, the applicant, or the service provider. USAC, and other appropriate authorities (including but not limited to the FCC), may pursue enforcement actions and other means of recourse to collect improperly disbursed funds.

Revised Funding Commitment Decision Comments:
--

Post Commitment Rationale:

FCC rules require that all products and services for which an applicant requests discounts on an FCC Form 471 must be competitively bid on an FCC Form 470. The FCC Form 470 must include a complete description of the services for which discounts are sought, be posted on the website for 28 days, and applicants must carefully consider all bids received before selecting a vendor, entering into a legally binding agreement or signing a contract, and signing and submitting an FCC Form 471. See 47 C.F.R. secs. 54.503(b) and (c), 54.511(a). These competitive bidding requirements help to ensure that applicants receive the lowest pre-discount price from vendors. See Federal-State
