SUPPLEMENT TO PETITION FOR LEAVE TO AMEND AND AMENDMENT

Bible Broadcasting Network, Inc. ("BBN"), applicant for a construction permit for a new FM station at Conway, Florida, by its attorney, hereby respectfully submits this Supplement to its "Petition for Leave to Amend and Amendment" filed June 17, 1991.

The amendment, which was filed on June 17, 1991 to update information concerning BBN's broadcast interests and applications as required by Section 1.65 of the Commission's Rules, was a facsimile of the original. This Supplement is submitted to provide the original signature page of the amendment, which is attached hereto. It was necessary to file the facsimile on June 17, 1991 because the amendment sent by counsel to BBN for review and signature was inadvertently placed in the public inspection file rather than returned to counsel for filing with the Commission.
