The Chief, Allocations Branch

EXPRESSION OF CONTINUED INTEREST FOR ALLOCATION

Comes now, Michael T. Mc Kenna, IN PRO PER, and respectfully requests that the Commission allot the proposed channel of 249 C-3 to the city of Rogue River, Oregon. Mister Mc Kenna confirms his intention to apply to the Commission for a construction permit to build and operate a class C-3 FM broadcast station at Rogue River, Oregon, should the Commission allocate the proposed channel. Mc Kenna has plans to use a transmitter site just west of the community of Rogue River, not to the south. This is why Mc Kenna has requested the allocation of channel 249 C-3 rather than any other channel. If granted a construction permit, Mister Mc Kenna will promptly build accordingly the station at his intended site.

- In conclusion, Michael T. Mc Kenna, respectfully requests that the Commission allocate FM channel 249 C-3 to the community of Rogue River, Oregon and that the license of radio station KAJO FM be modified for operation on the channel of 253 C-3.

March 4, 1992.

Respectfully submitted,

Michael T. Mc Kenna
