**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use a competitive local provider and the quality of service is 5x better than what I once got from the behemoths, at half the price. I have used two local providers and both were better than the big boys.

Broadband is essential to my business. And my local provider does it well.

Please don't cave in to pressure by the big monopoly players.

Thank you,
