**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a local, competitive, provider of internet services because I was getting lousy service from Comcast, and ATT's phone line to my house has unbearable static.

My new provider, SONIC, is low cost and reliable. I work from home and require reliable and fast access to my place of work and to library materials. SONIC provides me with both.
