**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is an absolute no-brainer to see that we need MORE competition, not LESS. Deregulation will result in having very few providers, which will create massive price hikes, thereby gouging the consumer. Cutting access to the PSTNs will eliminate the small ISPs which do a much better job in bringing internet to the general public in terms of better products and and higher ethical business practices. I SUPPORT CONTINUED BROADBAND COMPETITION--NO TO DEREGULATION!!!
