**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a residential subscriber of Sonic (sonic.net), which competes in the residential internet and phone service marketplace.

I choose Sonic because their pricing is better than the major carriers I have used in the past (AT&T and Comcast), and their customer service is vastly better. AT&T and Comcast know they have an effective monopoly, and they act like it: they make it very difficult to address service problems.

I strongly urge you to support broadband competition and allow providers like Sonic to compete.

I rely on Sonic's good service, and I will be materially affected if Sonic is not allowed to continue competing against AT&T and Comcast.

Thank you.
