**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing in support of net neutrality as well as variety of internet offerings. We need local providers and choices. We need small companies to have the ability and facilities (lines) available to provide those services. I do not want to depend on the big 2 or 3 to be all that is available to consumers. Please do not let deregulation run rampant and limit the kind of internet available.
