CC Docket No. 02-6

Petition for Waiver

To Whom It May Concern,

Seattle School District 1 requested and was granted funding in the amount of \$126,367.19 for FRN 1699124305. Seattle School District 1 filed an FCC Form 500 to amend the contract date for the purchase. The contract end date was amended to 9/30/2017. Following approval, a ministerial error on our part resulted in a miscalculation as to the deadline for filing of invoices. This error was due to a coincidence in timing where the EPC Last Day to File tool showed deadlines as both 1/28/18 and coincidentally 1/28/19 (the exact same day and month). The invoices should have been filed by the correct deadline 18 hours ago on 1/28/18. Seattle School District 1 is requesting a waiver of the deadline in order to submit invoices and recover funds in this matter.

Respectfully,

A handwritten signature in cursive script that reads "John Mitchell".
