To: Telecommunications Access Policy Division  
Wireline Competition Bureau  
Federal Communications Commission

We are writing to appeal the denial of our Invoice Deadline Extension Request CC Docket No. 02-6.

We have found evidence that staff attempted to submit the BEAR form on October 24, 2017 at 3:13 PM PDT. Information was entered and submitted. We have included the web monitoring records from that day. The pertinent information is found in lines 15181 and 15083. These lines demonstrate that Lincoln County School District staff did attempt to submit the BEAR request before the deadline. It is likely that a technical malfunction caused our submission to not be received.

We request that our BEAR request of \$ 205,125.67 for Fiscal year 2016-2017 be allowed to be processed and the district reimbursed for the authorized funding request letters and FRNs attached..

Sincerely,

Forrest J. Fisher  
Director of Technology
