Request for Waiver – Ministerial and Clerical Error – Entities not included on FRN 839012	
Recovery of Improperly Disbursed Funds Letter	November 8, 2018
Applicant Name:	Harlandale Independent School District
Billed Entity Number:	141545
Form 471 Application Number:	314855
Funding Request Number(s):	839012
Total amount to be recovered	\$13,700.00
Federal Government Shut Down	January 4, 2019
Appeal due	January 7, 2019
Government re-open	January 28, 2019
Revised appeal due date	January 30, 2019

Pursuant to sections 54.719 and 54.722 of the Commission’s rules,¹ Harlandale Independent School District², San Antonio, Texas (Harlandale ISD) hereby respectfully requests a waiver of section 54.504(a) of the Commission’s rules³ to allow it to amend its FCC Form 471 #314855, FRN 839012 to add three eligible entities. Because the FCDL has already been issued, USAC does not have the authority to correct the clerical error; therefore Harlandale ISD is submitting this waiver request directly to the FCC.

I. BACKGROUND

Harlandale ISD properly filed its FCC Form 471# 314855⁴ for FY 2002 on January 16, 2002. Funding Request Number 839012 included a request for network equipment pre-discount amount of \$100,496 for Block 4 Entity Number 90710, Harlandale Middle School, with an E-rate discount of 90 percent.

Harlandale ISD received a funding commitment decision letter on June 27, 2003—18 months after the initial Form 471 was filed. USAC conducted a performance audit of FY 2002

disbursements from September 6, 2004 through June 4, 2005. The audit contained a finding that services had been provided to entities that were not referenced on the relevant funding request.

On November 8, 2018, more than 15 years after the funding year at issue, USAC issued a Recovery for Improperly Disbursed Funds Letter to Harlandale ISD⁵ seeking recovery of the \$13,700. USAC noted the following as the basis for the recovery action:

During an audit, the auditors determined equipment was installed at entities that were not approved to receive support for this funding request. Therefore, funds were improperly disbursed on this funding request. FCC rules state that only eligible entities that make a bone fide request for support are eligible to receive benefits under the program. The auditors discovered that equipment approved for Harlandale Middle School was installed at Harlandale Alternative Center, Gillette Elementary, and Frank Tejada Academy. Since these entities were not associated with this request, the entities cannot receive any equipment originally approved for another entity. Accordingly, USAC will seek recovery of the \$13,700.00 of improperly disbursed funds from the applicant.⁶

Appeals of USAC decisions are due within 60 days. As such this waiver request is timely filed.⁷

II. A WAIVER IS APPROPRIATE BECAUSE ADDING THREE ELIGIBLE ENTITIES IS CONSISTENT WITH FCC POLICY REGARDING RECOVERY OF FUNDS FOR OMITTED ENTITIES AND BECAUSE IT IS IN THE PUBLIC INTEREST

First, the Commission should grant Harlandale ISD's waiver request to allow it to revise its Form 471 to add the three eligible entities, consistent with its prior orders and Commission directives to USAC. Second, a waiver is in the public interest as the Commission should not seek recovery when the funding at issue was disbursed more than 15 years ago, the funding is a *de minimus* amount, and the funding was used by eligible entities for eligible purposes.

⁵ Exhibit 2, Recovery of Improperly Disbursed Funds Letter, dated Nov. 8, 2018.

⁷ Pursuant to Commission instructions regarding filings due during the U.S. Government shutdown, this waiver is being filed upon reopening of the agency. *See Impact of Potential Lapse in Funding on Commission Operations*, Public Notice, DA 19-10 (rel. Jan 2, 2019).

Any of the Commission's rules may be waived if good cause is shown.⁸ The Commission may exercise its discretion to waive a rule where the particular facts make strict compliance inconsistent with the public interest.⁹ In addition, the Commission may take into account considerations of hardship, equity, or more effective implementation of overall policy on an individual basis.¹⁰

A. When the addition of eligible locations does not affect the discount rate, the Commission has allowed such additions to E-rate applications.

The Commission has granted waivers numerous times allowing applicants to correct some errors on their funding requests.¹¹ Second, in the *First Modernization Order*, the Commission found that recovery was not warranted when eligible entities were omitted from an application.¹² The Commission found that its policy was appropriate because the discount rate was no longer calculated for each individual location within a school district. Third, the Wireline Competition Bureau has directed USAC not to recover funding when the applicant inadvertently omitted an eligible entity from its application.¹³

Allowing Harlandale ISD to add three schools to its application would serve these same policy goals. Just like as described in the *First Modernization Order*, the eligible schools in Harlandale ISD's cases had the same discount rate as the school that was listed on the Form 471. The Commission found that, typically, additional schools could not be added post-commitment because the addition of those schools could change the discount rate the district receives.¹⁴ But when the Commission changed the rule so that all services in a district had to receive the same

discount, it found the rule was no longer relevant. Here, while this obviously predates the First Modernization Order, the same principle still applies. Harlandale ISD's locations that were omitted all had a 90 percent discount, the same as the school that was included in the funding request:

Entity #	Name	Erate Discount
90713	Harlandale Alternative Center	90%
90779	Gillette Elementary	90%
90709	Frank Tejeda Academy	90%

As such, the same policy rationale should lead the Commission to allow the addition of these three locations. There also was no change in the funding amount since the three sites were all 90 percent E-rate discount.

Further, the entities where the equipment was installed were listed on Block 4 of the Form 471; they simply were omitted as recipients of service on FRN 839012, Block 5, Item 22.¹⁵ The schools were not inadvertently omitted, however; the district determined that the equipment was not best used in the original location.¹⁶ The decision that Harlandale ISD made to not waste funds by installing the switches at Harlandale Middle School and instead installing them where they were most needed was certainly in the public interest.

This decision was consistent with the rules in effect in funding year 2002. In funding year 2002, there was no requirement that school districts use or keep equipment purchased with E-rate funds for a certain length of time. The Commission's rule that districts had to keep the equipment in the same location for three years became effective in March 2004.¹⁷ There also was no requirement that applicants keep an asset inventory list detailing the location of every piece of equipment. The Commission did not adopt detailed recordkeeping requirements until 2004.¹⁸ Given that the funding year at issue was before these rules were adopted, the district should not be held to more detailed standards that the Commission later adopted. So, at worse, we are left with a

¹⁵ See Exhibit 1, page 2 of 77; page 5 of 77.

¹⁶ It took USAC 18 months from the time the application was filed to issue a funding commitment decision letter.

paperwork mistake; just like in *Bishop Perry* and other similar orders, it is consistent with Commission policy for the District to correct its Form 471 to add the three E-rate eligible school locations.

B. A Waiver is Appropriate Because the Funding was Disbursed 16 Years Ago, It Is a De Minimum Amount, and the Funding Was Used for Equipment for E-rate Eligible Entities

First, USAC is prohibited from seeking recovery by the applicable federal statute of limitations. Section 2462 of Title 28 of the United States Code prohibits USAC from seeking recovery of E-rate funding more than five years after the funding was disbursed. Section 2462 states that “[e]xcept as otherwise provided by Act of Congress, an action, suit or proceeding for the enforcement of any civil fine, penalty, or forfeiture, pecuniary or otherwise, shall not be entertained unless commenced within five years from the date when the claim first accrued.” Neither USAC nor the FCC has the authority to override or ignore a statute of limitations established by Congress.

Congress and the courts have been clear about the importance of statutes of limitations as a means of ensuring that parties are not deprived of due process. The Supreme Court has said that “[s]tatutes of limitations are intended to ‘promote justice by preventing surprises through the revival of claims that have been allowed to slumber until evidence has been lost, memories have faded, and witnesses have disappeared.’” And, indeed, USAC’s refusal to recognize any reasonable statute of limitations for recovery actions has deprived Harlandale ISD of due process. The recovery is for a funding year that is more than 16 years ago—well beyond the five-year statute of limitation. Seeking recovery for the funding now is punitive in nature, especially given that there is no dispute that the funds were used for E-rate eligible services for E-rate eligible schools.

Second, the Commission has directed USAC not to seek recovery for procedural errors, unless the error affects the financial integrity of the program.¹⁹ Given that the entities omitted from the Form 471 were eligible for funding, the error at issue can only be described as procedural, not substantive. The amount USAC is seeking to recover is approximately \$13,000. That amount will have no effect on the financial situation of the program.

¹⁹ *Schools and Libraries Universal Service Support Mechanism*, CC Docket No. 02-6, Fifth Report and Order, 19 FCC Rcd 15808 (2004) ¶ 80.

Finally, it is in the public interest to grant this waiver because the equipment was used in E-rate eligible locations for E-rate purposes. The program's goals were met. There was no waste, fraud or abuse. It is therefore in the public interest to grant the requested waiver.

III. CONCLUSION

For the foregoing reasons, Harlandale ISD respectfully requests that the Bureau grant this waiver to allow the correction to add the three entities, Harlandale Alternative Center (Entity # 90713), Gillette Elementary (Entity # 90779), and Frank Tejada Academy (Entity # 90709) to Form 471 # 839012, Block 5, Item 22, and direct USAC to cease its recovery efforts.

See Attached Adjustment Report for more information on the specific FRNs and Explanations listed above.

Recovery of Improperly Disbursed Funds

Our review of your Universal Service Schools and Libraries Support Program (or E-rate) funding request(s) referenced in the Adjustment Report has determined funds were improperly disbursed in violation of Federal Communications Commission (FCC) rules. A copy of that Adjustment Report is also attached to this letter.

FCC rules require the Universal Service Administrative Company (USAC) to rescind commitments and recover funding when it is determined that funding was committed and disbursed in violation of the rules. This letter notifies you that USAC will be adjusting your funding commitment(s) and provides information on how to appeal this decision.

This is NOT a bill. If disbursed funds need to be recovered, USAC will issue a Demand Payment Letter. The debt referenced in the Demand Payment Letter will be due within 30 days of that letter's date. Failure to pay the debt may result in interest, late payment fees, and administrative charges and will invoke the FCC's "Red Light Rule."

FCC's Red Light Rule

The FCC Red Light Rule requires USAC to dismiss pending FCC Form 471 applications, appeals, and invoices or to net disbursements offsetting the debt if the entity responsible for paying the outstanding debt owed to the FCC has not paid the debt or made satisfactory arrangements to pay the debt within 30 days of the Demand Payment Letter. For information on the Red Light Rule, see

<https://www.fcc.gov/licensing-databases/fees/debt-collection-improvement-act-implementation>

To Appeal This Decision

If you wish to contest any part of this letter, you must first file an appeal with USAC to seek review of the decision. Parties that have filed an appeal with USAC and received an adverse decision may, if they choose, appeal USAC's decision to the FCC. Parties seeking a waiver of a codified FCC rule should file a request for waiver directly with the FCC because USAC cannot waive FCC rules. Your appeal to USAC or waiver request to the FCC must be filed within 60 days of the date of this letter.

All appeals filed with USAC must be filed in EPC by selecting "Appeal" from the menu in the top right hand corner of your landing page and providing the requested information.

Your appeal should include the following information. (Because you file the appeal through your EPC account, the system will automatically fill in some of these components for you).

- 1) Name, address, telephone number, and email address for the contact person for this appeal.
- 2) Indicate specifically that your letter is an appeal. Include the following to identify the USAC decision letter (e.g., Recovery of Improperly Disbursed Funds) and the decision you are appealing:

- a. Appellant name;
- b. Applicant name and service provider name, if different from appellant;
- c. Applicant BEN and Service Provider Identification Number (SPIN);
- d. FCC Form 471 Application Number and the Funding Request Number (FRN) or Numbers as assigned by USAC;
- e. "Recovery of Improperly Disbursed Funds," AND the exact text or the decision that you are appealing.

3) Identify the problem and the reason for the appeal and explain precisely the relief sought. Please keep your appeal to the point, and provide supporting documentation. Be sure to keep a copy of your entire appeal, including any correspondence and documentation. A copy will automatically be saved for you in EPC. USAC will reply to your appeal submission to confirm receipt.

For more information on submitting an appeal to USAC including step by step instructions on how to file the appeal through EPC, please see "Appeals" in the Schools and Libraries section of the USAC website.

As mentioned, parties seeking a waiver of FCC rules or that have filed an appeal with USAC and received a decision may file a request for waiver or appeal USAC's decision to the FCC. Waiver requests or appeals to the FCC must be made within 60 days of the issuance of USAC's decision and include all of the information referenced above for appeals to USAC.

The FCC recommends filing appeals or waiver requests with the Electronic Comment Filing System (ECFS) to ensure timely filing. Electronic waiver requests or appeals will be considered filed on a business day if they are received at any time before 11:59 PM ET. If you have questions or comments about using the ECFS, please contact the FCC directly at (202) 418-0193.

For more information about submitting waiver requests or appeals to the FCC, including options to submit the waiver request or appeal via U.S. mail or hand delivery, visit the FCC's website.
