Attachment: Statement of SageNet LLC, formally-known-as SageNet of Tulsa, LLC, Explaining CPNI Procedures

Statement of SageNet LLC, formally-known-as SageNet of Tulsa, LLC Explaining CPNI Procedures

Annual 47 C.F.R. § 64.2009(c) CPNI Certification

1. SageNet provides certain customers with broadband satellite service and telecommunications and/or voice over Internet protocol ("VoIP") service. All of SageNet's customers are businesses or governmental agencies.
2. It is the policy of SageNet not to use, disclose or permit access to Customer Proprietary Network Information ("CPNI") without prior customer notification for any purpose other than the following: to provide customers with the purchased services; billing and collection for purchased services; to customize purchased services; to perform maintenance and diagnostics; to provide technical support; to install hardware and software upgrades; to prevent fraud; to respond to lawful service of process; to protect against unlawful use of our network; and to protect other network users.
3. If SageNet markets new communications-related products and services to existing customers, it provides telecommunications and VOIP customers with an opportunity to "opt out" of having its CPNI used for these purposes through an opt-out notification compliant with Section 64.2008 of the Commission's Rules. SageNet waits a minimum of thirty (30) days after providing customers with "opt-out" notification before assuming customer approval to use, disclose or permit access to CPNI. All CPNI opt-out elections are electronically stored.
4. SageNet does not have any marketing campaigns that use CPNI, however in such an event SageNet has adequate supervisory controls in place to ensure compliance with its CPNI policy.
5. SageNet does not share customer CPNI with any third parties for any purposes other than providing requested services to SageNet's customers or in response to a valid subpoena.
6. Each SageNet customer has a dedicated account representative and has/will receive a contract and/or service contract notification specifically addressing protection of CPNI.
