*Re: **Starry, Inc. Notice of Ex-Parte Communication**; Use of Spectrum Bands Above 24 GHz For Mobile Radio Services, et al., GN Docket No. 14-177*

Dear Ms. Dortch:

On Friday, October 11, 2019, Starry, Inc., represented by Chet Kanojia, Chief Executive Officer, Virginia Lam Abrams, Senior Vice President, Communications & Government Relations, and Brian Regan, Vice President, Legal, Policy & Strategy, participated in a meeting with Chairman Ajit Pai and Aaron Goldberger, Wireless and International Advisor to the Chairman.

During the meeting, Starry shared updates regarding the company's progress in deploying a nationwide, next generation, gigabit-capable fixed wireless network. Starry also highlighted its significant progress in developing a U.S.-based fixed wireless technology ecosystem as it transitions into its second-generation base station, transceiver, and WiFi access point.

Additionally, Starry expressed its continued support of the Commission's work on the Spectrum Frontiers proceeding and respectfully urged the Commission to continue moving forward to promulgating rules for coordinated licensed sharing in the lower 37 GHz band.

Pursuant to Section 1.1206(b)(2) of the Commission's rules, an electronic copy of this letter is being filed for inclusion in the above-referenced docket. We have also provided a copy of this letter electronically to all Commission personnel who were in attendance. Please contact the undersigned with any questions.

Respectfully submitted,  
Virginia Lam Abrams
