RE: Section 63.71 Application of TDS Metrocom, LLC

Dear Ms. Dortch:

Enclosed is a Section 63.71 discontinuance application of TDS Metrocom, LLC (FRN: 3767639).

The application seeks Commission approval for the discontinuance of retail voice and data services that are branded Merrimac Communications to 6 commercial customers in the Baraboo, Merrimac, Portage, Sauk City and Witwen, Wisconsin market areas. The discontinuance will occur on December 16, 2019. TDS Metrocom acquired substantially all of the assets of Merrimac Communications¹, including its retail customers and cable franchise. TDS Metrocom has permission to use the Merrimac Communications name until all customers are removed from the legacy network.

Please direct questions concerning this filing to me at the contact information below.

Respectfully submitted,

A handwritten signature in black ink, reading "Jennifer R. Heise", is positioned above the typed name.

WC Docket No. _____

**SECTION 63.71 APPLICATION OF
TDS METROCOM, LLC**

TDS Metrocom, LLC ("Applicant") seeks authorization pursuant to Section 214(a) of the Communications Act of 1934, as amended, 47 U.S.C. §214(a) and Section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue its provision of all Voice and Data services to 6 commercial customers at various addresses in the Baraboo, Merrimac, Portage, Sauk City and Witwen, Wisconsin Market Areas. This action is a result of TDS Metrocom building a new fiber-optic network in the area in order to offer improved services and decommissioning Merrimac's legacy network. The Applicant provides the following information pursuant to Section 63.71 of the Commission's Rules:

1. Name and Address of the Carrier: TDS Metrocom, LLC, 525 Junction Road, Madison, Wisconsin 53717.
2. Date of Planned Service Discontinuance: Applicant plans to discontinue the affected services on December 15, 2019.
3. Points of Geographic Areas of Service Affected: Applicant proposes to discontinue the affected services to certain customers in the Baraboo, Merrimac, Portage, Sauk City and Witwen, Wisconsin Market Areas. Services provided to these existing commercial customers will be discontinued and services will no longer be offered to new customers from Merrimac's legacy network following the proposed discontinuance.
4. Description of Service Affected: The services to be affected are all voice and data services.
5. Brief Description of the Dates and Methods of Notice to All Affected Customers: Applicant mailed a written notification of the planned discontinuance to the impacted customers utilizing the services in accordance with Section 63.71(a) of the Commission's Rules. Customer notifications were

mailed via first-class U.S. Postal mail on October 15, 2019. Copies of the notifications are attached to this application.

6. Regulatory Classification of Carrier: Applicant is considered non-dominant with respect to the services to be discontinued.

7. Other Information: In accordance with Section 63.71(a) of the Commission's Rules, a copy of this application is being mailed concurrently with its filing to the Governor of Wisconsin, the Wisconsin Public Service Commission and the Special Assistant for Telecommunications to the Secretary of Defense. Please direct questions regarding this application to the undersigned.

8. Circumstances of Discontinuance: The Affected Services are provided to the customer's locations via a legacy network being decommissioned. TDS Metrocom has built a new fiber-optic network in the area in order to offer improved services. TDS Metrocom will assist the affected customers in migrating their services to TDS Metrocom's new network. Alternatively, each affected customer will have sufficient time to make arrangements to obtain service from another service provider.

Conclusion: The public convenience and necessity will not be adversely affected by the discontinuance of the services described herein. Advance notice has been provided to all affected customers, giving them ample time to subscribe to alternative services available from TDS Metrocom and/or arrange for substitute services readily available from other providers. Therefore, Applicant respectfully requests that the Commission approve this Section 63.71 application.²

IMPORTANT INFORMATION:

The FCC will normally authorize this proposed discontinuance of service (or reduction or impairment) unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. You may file your comments electronically through the FCC's Electronic Comment Filing System using the docket number established in the Commission's public notice for this proceeding, or you may address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the §63.71 Application of TDS Metrocom LLC. Comments should include specific information about the impact of this proposed discontinuance (or reduction or impairment) upon you or your company, including any inability to acquire reasonable substitute service.
