Re: *Ex Parte*, WT Docket No. 10-4

Dear Ms. Dortch:

On October 12, 2018, Bruce Lancaster and Jeff Gudewicz of Wilson Electronics, LLC and the undersigned met with Roger Noel, Kathy Harris, Amanda Huetinck and, by telephone, Moslem Sawez of the Wireless Telecommunications Bureau and discussed the Commission's proposal to eliminate the personal-use restriction on all Consumer Signal Boosters. In particular, the parties discussed the Commission's proposal that an operator of a Wideband Consumer Signal Booster be required to register the signal booster with every provider on whose network the device might operate.

Should any questions arise with regard to this matter, please direct them to the undersigned.

Very truly yours,
