6. Description of the Transaction

On July 20, 2018, Martin Tibbitts unexpectedly passed away. His 100% interest in Licensee was transferred to the Estate. On July 26, 2018, the Probate Court of the County of Wayne, Michigan appointed Belinda G. Tibbitts as Special Personal Representative of the Estate. On September 18, 2018, the Probate Court of the County of Wayne, Michigan appointed Belinda G. Tibbitts as Personal Representative of the Estate of Martin J. Tibbitts, which superseded her appointment by the court as Special Personal Representative of the Estate on July 26, 2018. Ms. Tibbitts is a United States citizen.

7. Description of the Geographic Areas in which Assignor and Assignee (and their Affiliates) Offer Domestic Telecommunications Services, and what Services are Provided in Each Area

Transferee currently holds a 100% interest in Licensee. The Licensee is an interexchange reseller providing resold interexchange services to customers on an intrastate, interstate, and international basis. Licensee holds international Section 214 Authority as granted on May 13, 1998

in ITC-214-19980313-00189. In addition, Transferee now owns a 100% interest in the following companies which also provide resold interexchange services on an intrastate, interstate, and international basis (“Affiliated Entities”):

1. Business Network Long Distance, Inc., a Nevada corporation.
2. Communications Network Billing, Inc., a Nevada corporation.
3. Integrated Services, Inc., a Nevada corporation.
4. Multiline Long Distance, Inc., an Ohio corporation.
5. Nationwide Long Distance Services, Inc., a Nevada corporation.
6. Network Service Billing, Inc., a Nevada corporation.
7. National Access Long Distance, Inc., a Nevada corporation.

A chart identifying the states in which Licensee and the Affiliated Entities provide service is attached hereto as Appendix A.

8. Statement as to how the Application Fits into One or More of the Presumptive Streamlined Categories in Section 63.03 or why it is Otherwise Appropriate for Streamlined Treatment

This application fits within the presumptive streamlined categories as outlined in 47 CFR § 63.03, and streamlined treatment is requested. Licensee is a non-facilities-based reseller of long distance services and Transferee, the Estate, is not a telecommunications provider.⁵ Additionally, neither Transferee nor Licensee are affiliated with a foreign carrier, and neither seeks authority to resell the international or private line services of any affiliated dominant U.S. carrier.⁶

9. Identification of All Other Commission Applications Related to the Same Transaction

On September 25, 2018, the Estate filed an undocketed request for domestic special temporary authority to operate Licensee pending Commission action on the necessary transfer of

⁵ 47 C.F.R. § 63.03(b)(1).

⁶ Neither Licensee nor Transferee are affiliated with a dominant U.S. carrier.

control applications. The Estate filed for international special temporary authority on September 27, 2018.⁷ Finally, the Estate filed an application for transfer of control of the international 214 authorizations for Licensee and the Affiliated Entities on September 27, 2018.⁸

10. Statement of Whether the Applicants are Requesting Special Consideration Because Either Party to the Transaction is Facing Imminent Business Failure

No party to the transaction is facing imminent business failure.

11. Identification of any Separately Filed Waiver Requests Being Sought in Conjunction with the Transaction

No separately filed waiver requests are being sought in conjunction with the transaction.

12. Statement Showing how Grant of the Application will Serve the Public Interest, Convenience and Necessity, Including any Additional Information that may be Necessary to Show the Effect of the Proposed Transaction on Competition in Domestic Markets

Approval of the involuntary transfer of control will serve the public interest by allowing Licensee to continue to provide high-quality service to existing customers without any interruption. Furthermore, the involuntary transfer had no adverse impact on current customers and was completely transparent to customers in terms of the service they receive. Customer rates, terms, and conditions were not changed as a result of this involuntary transfer. Licensee's business practices, customer service offerings, and customer billing remain the same.

⁷ File No. ITC-STA-INTR2018-06230.

⁸ File No. ITC-T/C-20180927-00180.

Finally, the involuntary transfer raises no competitive issues because Transferee is not a telecommunications provider and there is ample competition in the domestic telecommunications space.

Respectfully submitted,
