CONSENT MOTION FOR EXTENSION OF TIME

Dry Prong Educational Broadcasting Foundation ("DPEBF"), by its attorney, hereby respectfully requests the Administrative Law Judge to extend the time in which to file an opposition to the "Motion to Enlarge Issues" filed in this proceeding by Missionary Action Projects on April 3, 1992, from April 16, 1992 to and including April 23, 1992. In support thereof, it is alleged:

1. On April 3, 1992, Missionary Action Projects filed a Motion to Enlarge Issues directed against DPEBF. While the

undersigned is not an experienced communications counsel, the undersigned has consulted with others who are experienced in that field and the undersigned believes that he can prepare a proper opposition to the Motion to Enlarge Issues.

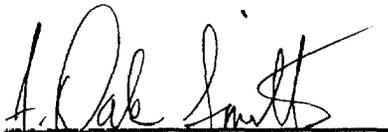

2. However, in order to prepare the well-reasoned and well-supported opposition to which the Administrative Law Judge and the other parties are entitled, the undersigned requires a brief extension of time. An extension to and including April 23, 1992 is respectfully requested. Counsel for Missionary Action Projects has been contacted and consents to the relief requested herein.

Respectfully submitted,

April 13, 1992
