FCC Mailroom

Dear Sir and or Madam,

I beg you not to take away from "Free"
Conferencing Calls, on Docket # 18-155 for
National or California or Santa Barbara's prayer
lines. This group of prayer warriors get up 24 hrs.
a day to open Telephone lines to all the saints who
wish to pray for This President Donald J. Trump and
Congress - both house and senate, to do what
is right in Gods sight - and many spend their
mind and Talent + financial aid and should not
be burdened with extra costs to discourage
them.

Thank you for hearing our plea!

Sincerely,

Kathleen Elmer
