Re: *CC Docket No. 96-45/WC Docket No. 14-58, Annual State-Certification of Support for Eligible Telecommunications Carriers Pursuant to 47 C.F.R. § 54.314*

Dear Secretary Dortch and Mr. Gaither:

The Wyoming Public Service Commission (WyPSC), pursuant to 47 C.F.R. § 54.314(a), hereby submits its annual certification to the Federal Communications Commission (FCC) and the Universal Service Administrative Company (USAC). 47 C.F.R. § 54.314 requires the appropriate state regulatory authority to annually certify those eligible telecommunications carriers (ETCs) within its jurisdiction for purposes of receiving federal universal service support.

For the 2017 annual certification process, the WyPSC applied the requirements and guidelines of WyPSC Rule Chapter 4 Section 14 to the ETCs jurisdictional to Wyoming. Chapter 4, Section 14 requires each carrier verify that it continues to offer the supported services and functionalities required for designation as an ETC under the federal Telecommunications Act of 1996 and the Code of Federal Regulations, throughout its designated service areas within Wyoming. The WyPSC also obtained from its jurisdictional ETCs their respective signed affidavits setting forth how federal universal service support funds have been used in the past year and how they will be used during the applicable 12-month period for which support funds are being requested. Additionally, the data provided by each applicant was the subject of public hearings before the WyPSC on September 27, 2017. The respective affidavits, additional documentation and detailed supporting information from each ETC jurisdictional to the WyPSC will be made available to you upon request.
