Re: In the Matter of Telecommunications Relay Services and Speech-to-Speech Services for Individuals with Hearing and Speech Disabilities, CG Docket No. 03-123

Dear Mr. Hay,

Sprint has provided to you the following information to support your filing with the FCC for the State of North Dakota:

- An annual Complaint Log which includes complaints received between June 1, 2018 and May 31, 2019 with the date of complaint, the nature of the complaint, the date of its resolution, and an explanation of the resolution.

As mandated by the Federal Communications Commission (FCC), Sprint has maintained a log of all consumer complaints that allege a violation of the federal minimum standards for Telecommunications Relay Services and is providing you with a summary to file with the FCC. You must reference to the **CG Docket 03-123** in the subject line as above.

In its Public Notice, the FCC requests information concerning the total number of interstate relay calls by type. This information is not currently required by the Rules, and the FCC cannot impose additional reporting requirements absent a rulemaking and absent approval from the Office of Management and Budget. In fact, the staff has informed Sprint that the provision of call volume data will be voluntary. Therefore, you are not required to provide the number of relay calls with your report and your submission will be considered to be in compliance with the Rules without such information. Sprint has decided to provide information to the FCC concerning the number of interstate calls. However, Sprint will do so under seal as call volume information is proprietary and confidential. **State Complaint Log Summary filings must reference CG Docket No. 03-123.** Submissions may be filed in one of two ways: (1) by using the Commission's Electronic Comment Filing System (ECFS), or (2) by filing paper copies.

- Electronic Filers: Submissions may be filed electronically using the Internet by accessing the ECFS: <http://apps.fcc.gov/ecfs/>. Filers should follow the instructions provided on the website for submitting comments.
- Paper Filers: Parties who choose to file by paper must file an original and one copy of each filing.

Filings can be sent by hand or messenger delivery by commercial overnight courier, first-class or overnight U.S. Postal Service mail. All filings must be addressed to the Commission's Secretary, Office of the Secretary, Federal Communications Commission.

All hand-delivered or messenger-delivered paper filings for the Commission's Secretary must be delivered to FCC Headquarters located at 445 12th St., SW, Room TW-A325, Washington, DC 20554. The filing hours are 8:00 a.m. to 7:00 PM ET. All hand deliveries must be held together with rubber bands or fasteners. Any envelopes must be disposed of before entering the building.

- Commercial overnight mail (other than U.S. Postal Service Express Mail and Priority Mail) must be mailed to 9050 Junction Drive, Annapolis Junction, MD 20701.
- U.S. Postal Service first-class, Express, and Priority mail must be addressed to 445 12th Street, SW, Washington DC 20554.

This is due to the FCC on or before Monday, July 1, 2019.

Obligation to Submit Contact Information and Notice of Substantive Changes in TRS Programs.

The FCC reminds certified state TRS programs, interstate TRS providers, and TRS providers that have state contracts that they must submit to the Commission the name of a contact person, office, or both for the receipt of inquiries and complaints from consumers about the certified state TRS program's intrastate service or, as appropriate, about the TRS provider's service. The submission must include, at a minimum, the name and address of the state or TRS office that receives complaints, grievances, inquiries and suggestions; the voice, TTY, fax number, e-mail address, and web address for that office; and the physical address to which correspondence should be sent.

Should you have any questions concerning this report, please contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Ken Arcia". The signature is fluid and cursive, with a prominent initial "K" and a long, sweeping tail.
